PREFACE

Granite High School is enveloped with traditions which endear her to us. We have surrounded our traditions with a myth.

From the Cup of Knowledge, our symbol, flows a Gleam which we have chosen to call Achievement. In the theme our Alma Mater has become Pallas Athene, the Goddess of Wisdom. It is she who keeps alive the Gleam of Achievement which inspires us to greater progress.

Loads of luck
to you. Hope to
be seeing you
again. Hildo Faucheux

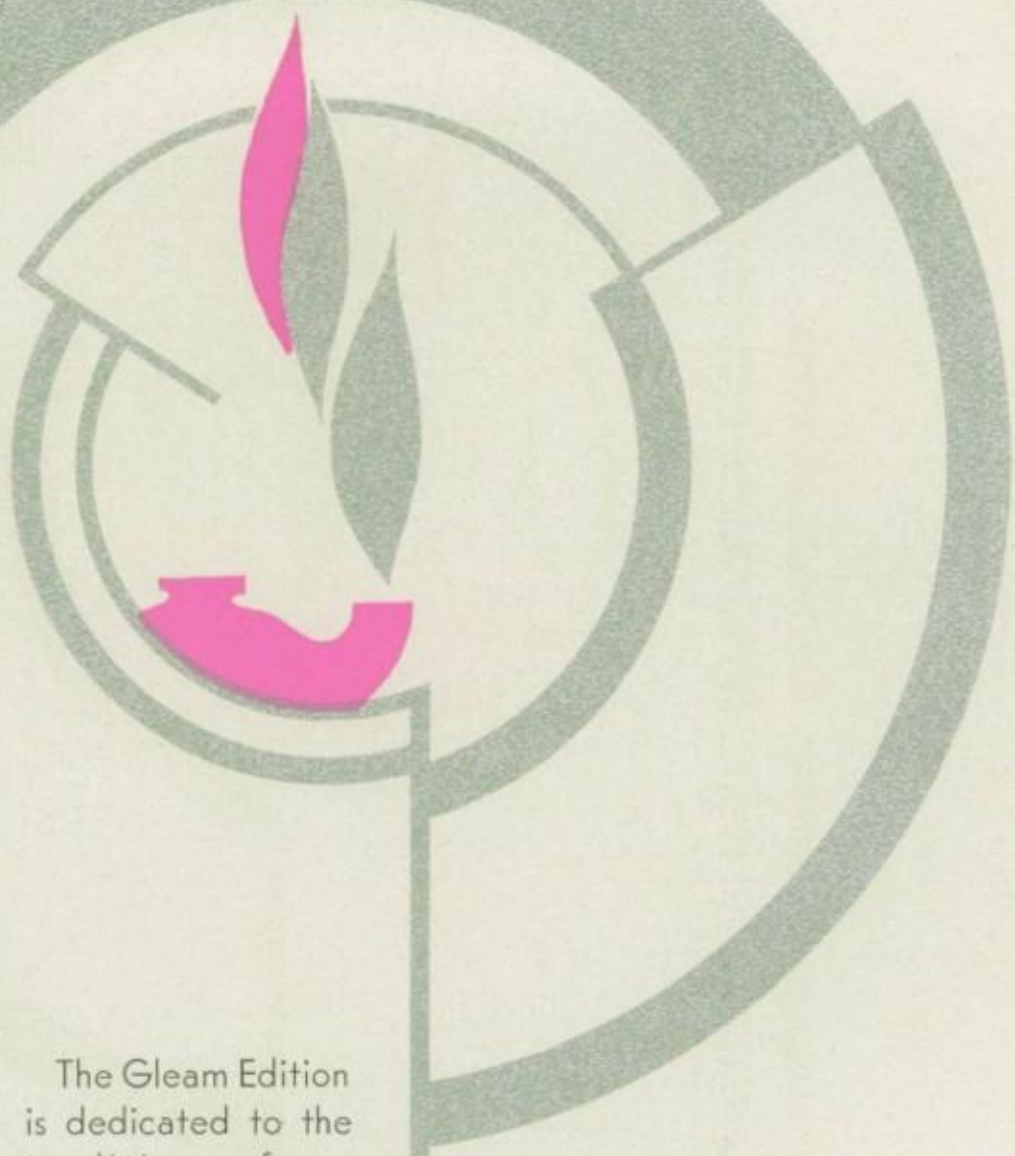
Not of the sunlight,
Not of the moonlight,
Not of the starlight!
O young Mariner,
Down to the haven,
Call your companions,
Launch your vessel,
And crowd your canvas,
And, ere it vanishes
Over the margin,
After it, follow it,
Follow The Gleam!

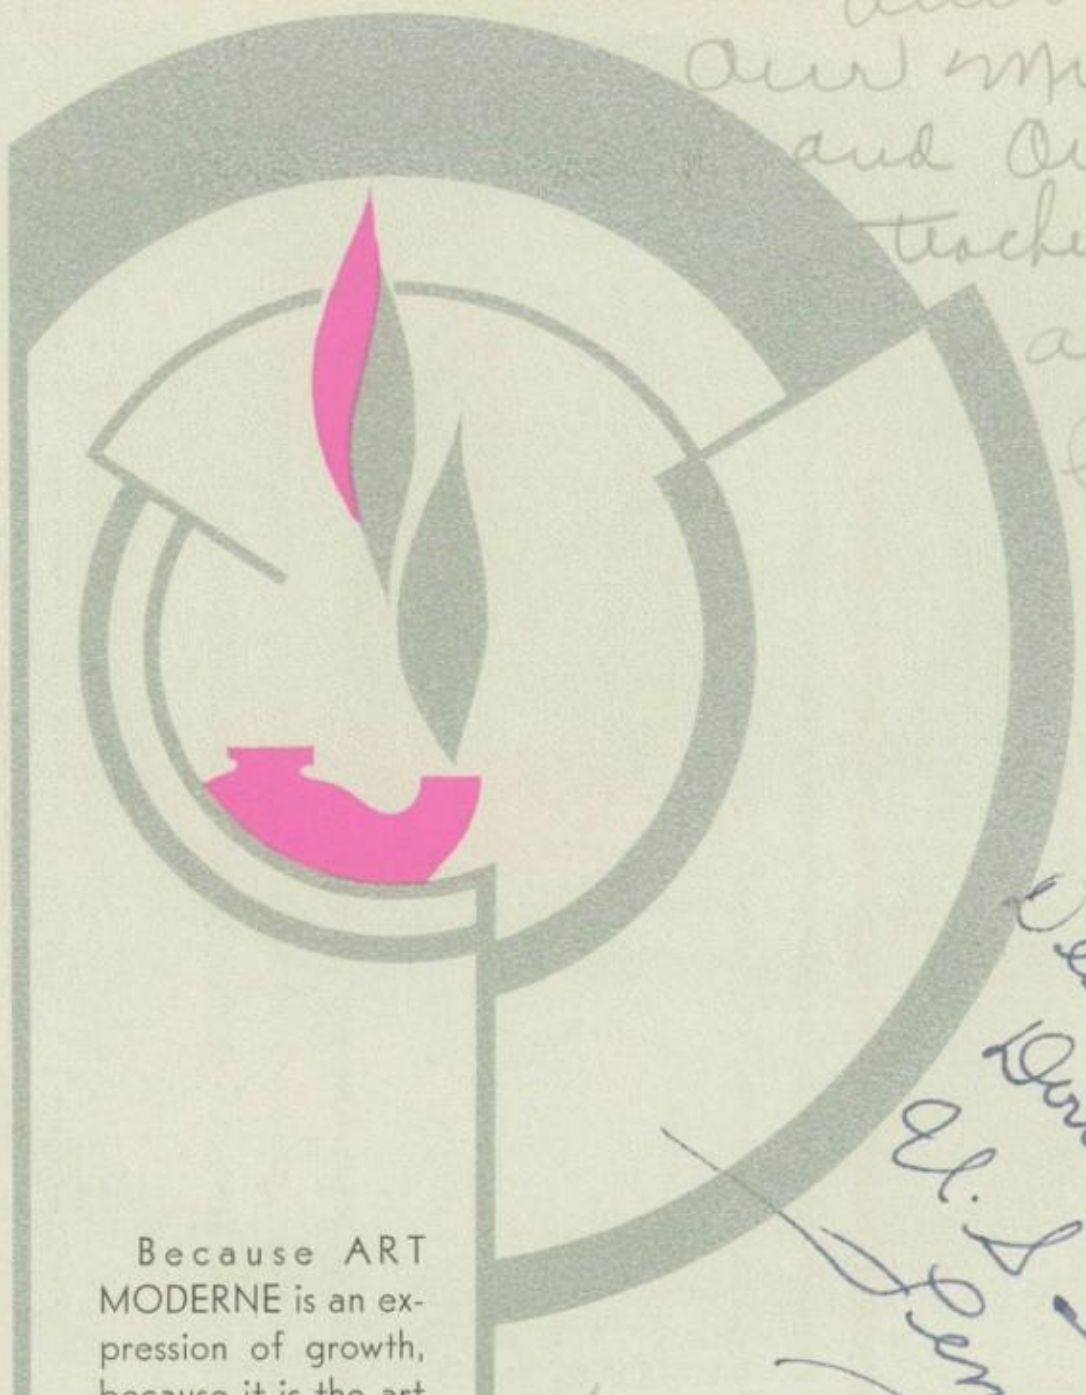
—Tennyson.

Dear Bob
I sure wish
you success and
happiness in
the future
A pal
Dolly Smith



The Gleam Edition is dedicated to the traditions of our Alma Mater. To faithfully record her events, and to honor and preserve with vigilance her traditions, the Granitian of 1934 finds its mission of devotion.

DEDICATION



Because ART MODERNE is an expression of growth, because it is the art achievement of today, we select it as the creative motif of the Gleam Edition of the Granitian.

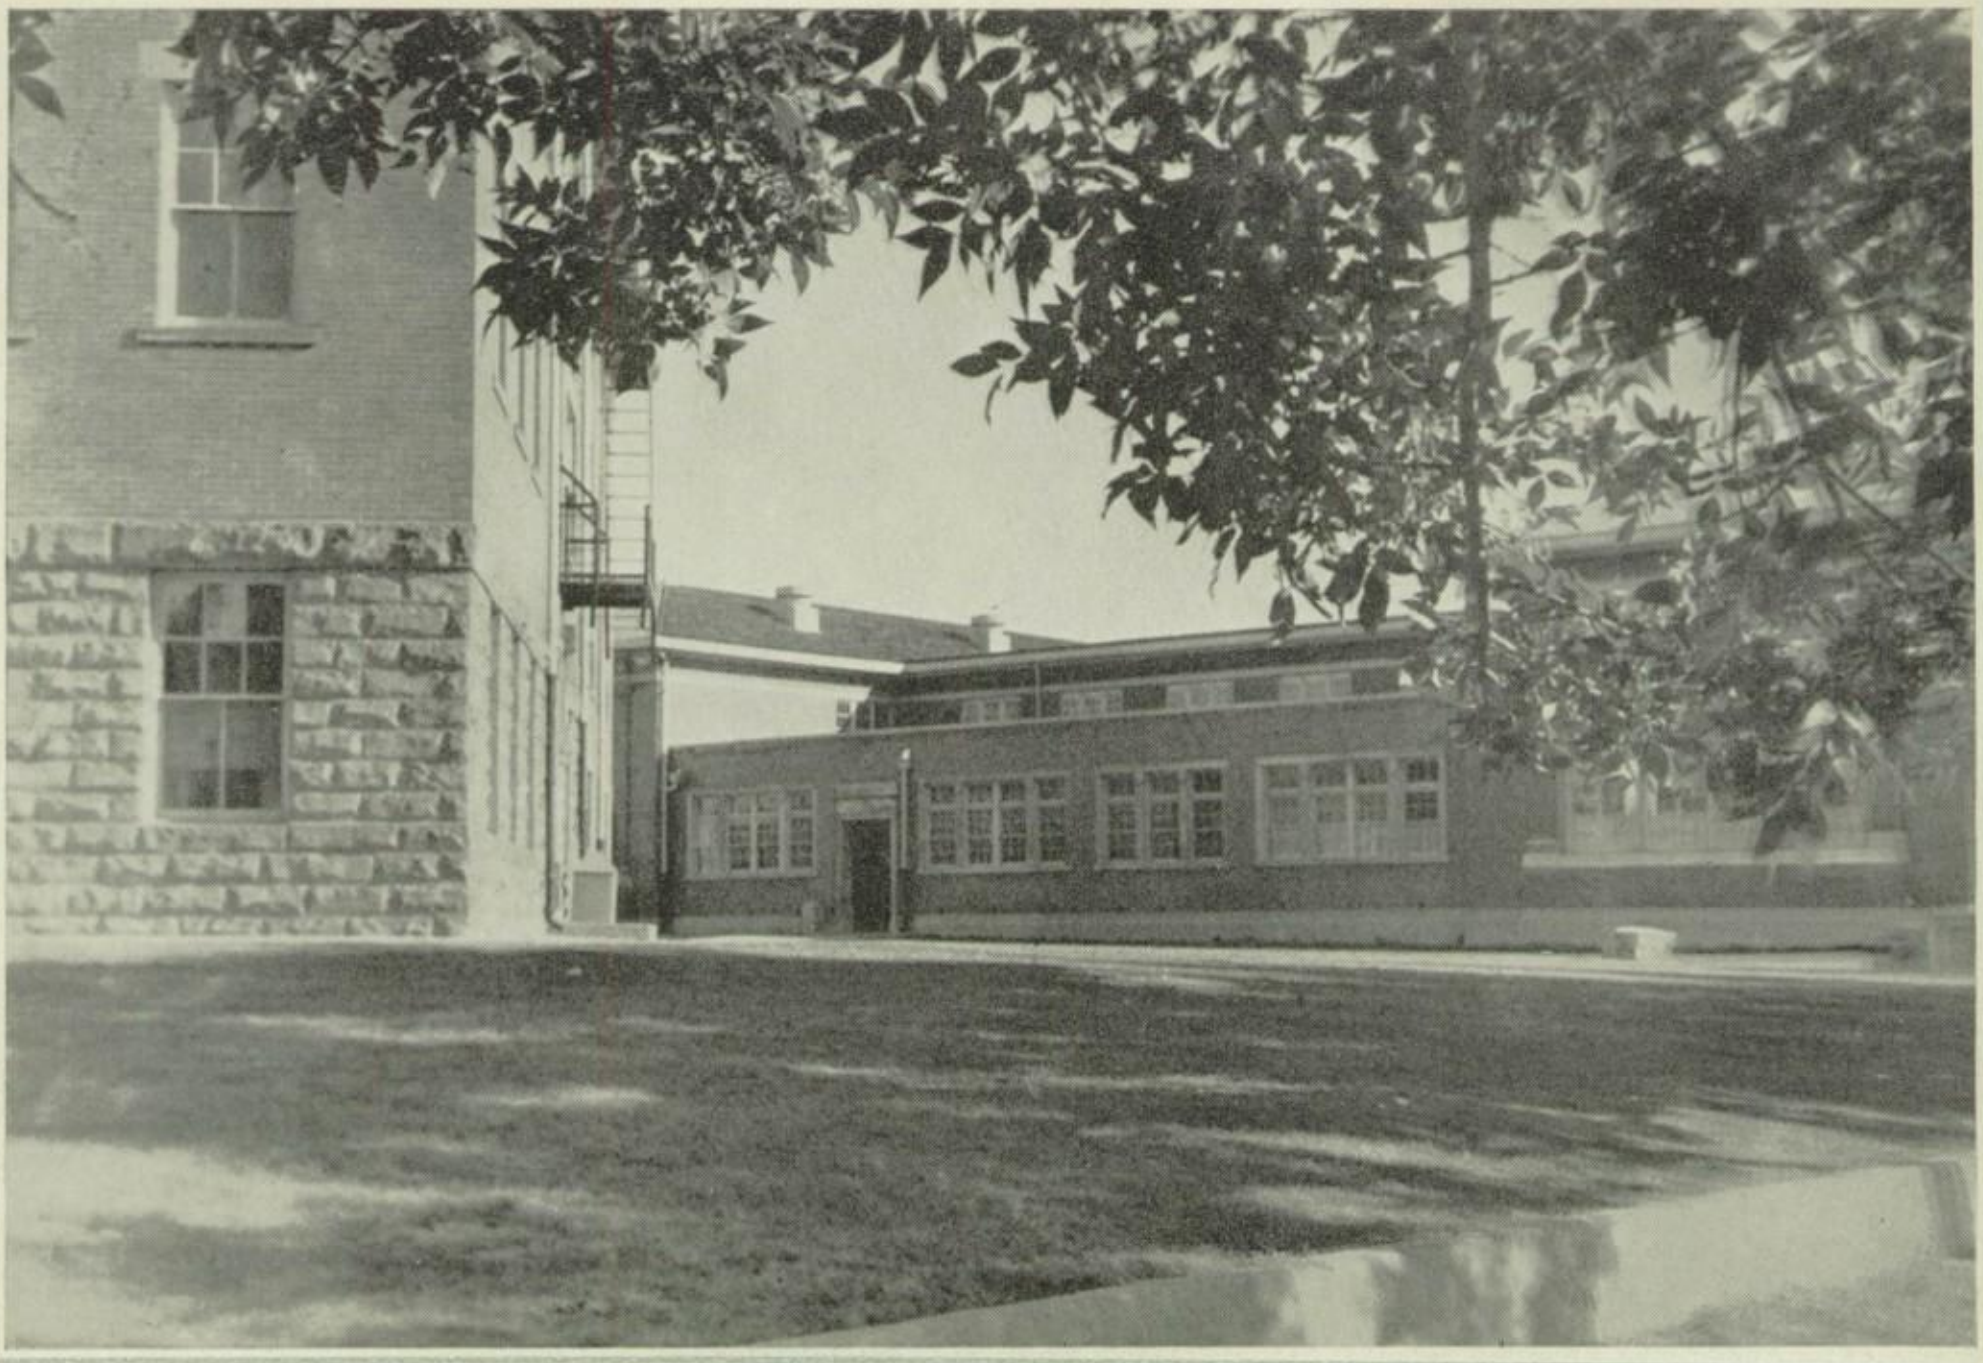
You who love the fair, square
sport,
You'll hear the song of the
"G" . . . .



Go it, Granite, Go it, Granite!
Hear the battle cry:
Go it, Granite, Go it Granite!
Yours 'til we die . . . .

Well, in the first place, I wish you would stop calling me those crazy names! I wish you success and happiness though. Can't think of anything to write. You shouldn't expect me to! I'll have to fill up the page so Goodby until next year (I guess)

ADMINISTRATION

Dr. Calvin S. Smith
Superintendent

To the Students of Granite High School:

"And ye shall know the truth and the truth shall make you free." In a limited moral sense this statement is true for the individual. He may as an individual be free from the bondage of bad habits; free from types of suffering which often grow out of ignorance; free in his thinking; free from the evil of ignorance. Freedom for an individual in an economic, a political, or a social sense is impossible if the individual alone has knowledge. You as an individual may understand and know economic, political, and social laws, but may not be free because of prejudice of your fellows, because of bigotry, because of despotism, because you lack means, because social customs and institutions may have been crystalized in wrong forms. But if "ye" in the plural sense know the truth and live according to it, the truth will make you political, economic, and moral living.

Education in the schools is one way of learning the truth, but familiar terms and expressions such as liberty, equality, fraternity, and "government derives its just powers from the consent of the governed" take on new meaning as we grow in years and increase our experience. That you may continue to seek after truth and that you may achieve freedom is the finest wish I can think of for you. May commencement be truly commencement or beginning for you.

Yours respectfully,

CALVIN S. SMITH,
Superintendent.

Lorenzo H. Hatch
Principal

Students of Granite High School:

A sound philosophy of government must adhere to the principles embodied in the Declaration of Independence and guarantee "life, liberty, and the pursuit of happiness." There can be no alternative; hence every man is entitled to live from the fruits of his labors. An opportunity to labor must be provided for him in order that he may enjoy the freedom that is his right of inheritance. Claim to such privileges should imply an intelligent understanding of rights and a willingness to assume obligations.

These ideals are not new; they represent the thinking of this people over a period of a century and a half; yet, owing to the complexity of our problems, the opportunity for leadership was never greater than it is at present. Disappointments that have extended over the past four years have left many people discouraged but willing to follow any promise of a way out. Our greatest hope for future stability in government will lie in our power to make of every citizen a student of social conditions and to modify his thinking so that the best in our present social order will be preserved for the good of this generation and others to follow.

Yours respectfully,

LORENZO H. HATCH,
Principal.

STUDENT BODY 1933-1934

Granite High School has established during the year 1933-1934, a goal which should be the ideal of every future Granitian. We are the only high school that has ever won the State Basketball championship for two successive years in tournament competition. Granite is the only school that has won the silver trophy three years.

Our agricultural students have also established a record of winning three loving cups in one year of contests.

To speak only of the trophies we have won would be to leave out the most vital reason for having these wonderful activities in our school. Through these activities Granite has established a more friendly feeling, a kindlier spirit between itself and the neighboring schools. This feeling of friendliness is stronger than it has ever been.

This goal has been attained by the sympathetic cooperation of the student body, faculty, and members of the school board.

May those good people who are fortunate enough to become members of this Republic of Granite High School, and those who are now members, always live up to the high standards that have been set up this year.

—Stewart Pendleton.

SENATE

"Where did you get this little red and blue book?"

"Why, this is a handbook which was published by the Senate of the Granite High School. The publishing of these handbooks is one of the Senate projects. This body makes laws and aids in making amendments to the constitution of the school."

"The members of 1934 are Eddis Bunker, President; Martell Bodell, Secretary; Gwen Wagstaff and Everett Woods, Senior Representatives; Ruth Jackson and Fred Evans, Junior Representatives; Jay Wright and Lillian Stillman, Sophomore Representatives; and Mr. Poulsen, Faculty Adviser."

STUDENT COURT

"The court will now come to order; silence in this court room, please," and with these age-old words, James Christensen, Judge; assisted by Karl Schleckman, Prosecuting Attorney; Kay Earl, Bailiff; and Grace Richards, Secretary; with Mr. Greene as Faculty Adviser, opens another session of Student Court. To assist in the work of these officers of the court, custodians and deputies are elected in each advisory class at the beginning of the school year.

The Student Court is the judicial body of Granite High School. The main purpose of this organization is to enforce student discipline.

"Times are not what they used to be. Ever since the Hall Committee was organized at Granite in 1933, no one has had use for me," would be the complaint of Mr. Sluff, if such a person actually existed.

Members of this organization are either Seniors or Post Graduates. The purpose is to keep order in the halls during class hours, to direct visitors who come to the school, and to report all individuals who are in the halls during class periods without hall permits.

MY SONG

The twilight falls soft,
And with it, brings a melody to my heart.
The homing birds, that soar aloft,
Are of this song a part.
The lacy, silhouetted, trees,
That stand alone, and whisper to the stars,
Now learn the strain from a roving breeze,
And seem to hum the wondrous bars.
The dusky cars, that creep,
With silver lights along their way,
All add a note, that's rich and deep,
That melts into the harmony of day.
And then, as velvet night appears,
Slowly shutting out the view of sky,
I turn, and wander on mid joys and tears
My heart echoes the strain, and my soul
Is lifted high.
And the world is my song!

PEOPLE

A very simple one is he
Who never in a face can see
No more than eyes and lips and hair,
Or maybe a complexion fair.
For in a face there is to see
A person's thoughts and history.

Yet outwardly he may look sad
Or maybe happy; maybe glad.
For there are some who ne'er portray
Their real life throughout the day.
And one light glance will never tell
If he is sad or happy and well.

So judge not with a passing glance
To judge him right there's little chance;
But deeper study you must make
Or you'll his character mistake.
But better still make him a friend
And then all doubting soon will end.

The book closes. Tattered, but not deserted it lies. On its marked, worn pages are precious memories of struggles, joys and friendships.

Though we sigh with regret the finish of our first Book of Achievement, yet others in this series remain; countless numbers we may scribe.

GRANITE HIGH

Granite, we salute you!
Recognized throughout the state.
Always playing fair and true
Nobly winning games first rate.
Idolized by all your students,
Talents endless you possess.
Earnestly and with prudence,
Heading to the goal—success.
Imparting to the youthful
Great knowledge, rich and rare.
Hardships over, ever truthful,
GRANITE! A name we're proud to bear.

THE FAIRY MUSIC BAND

When all the yard is white with snow
And people shiver, you may know
The Snow Time Fairy Music Band
Has left its home in fairy land.

And with the wagons on the street,
You hear their tones so clear and sweet,
For the fairies play to wagon wheels,
And sometimes to the people's heels.

The next time that I plod through snow,
I think I'll listen as I go,
And turn around sometime to see
The fairy band that follows me.

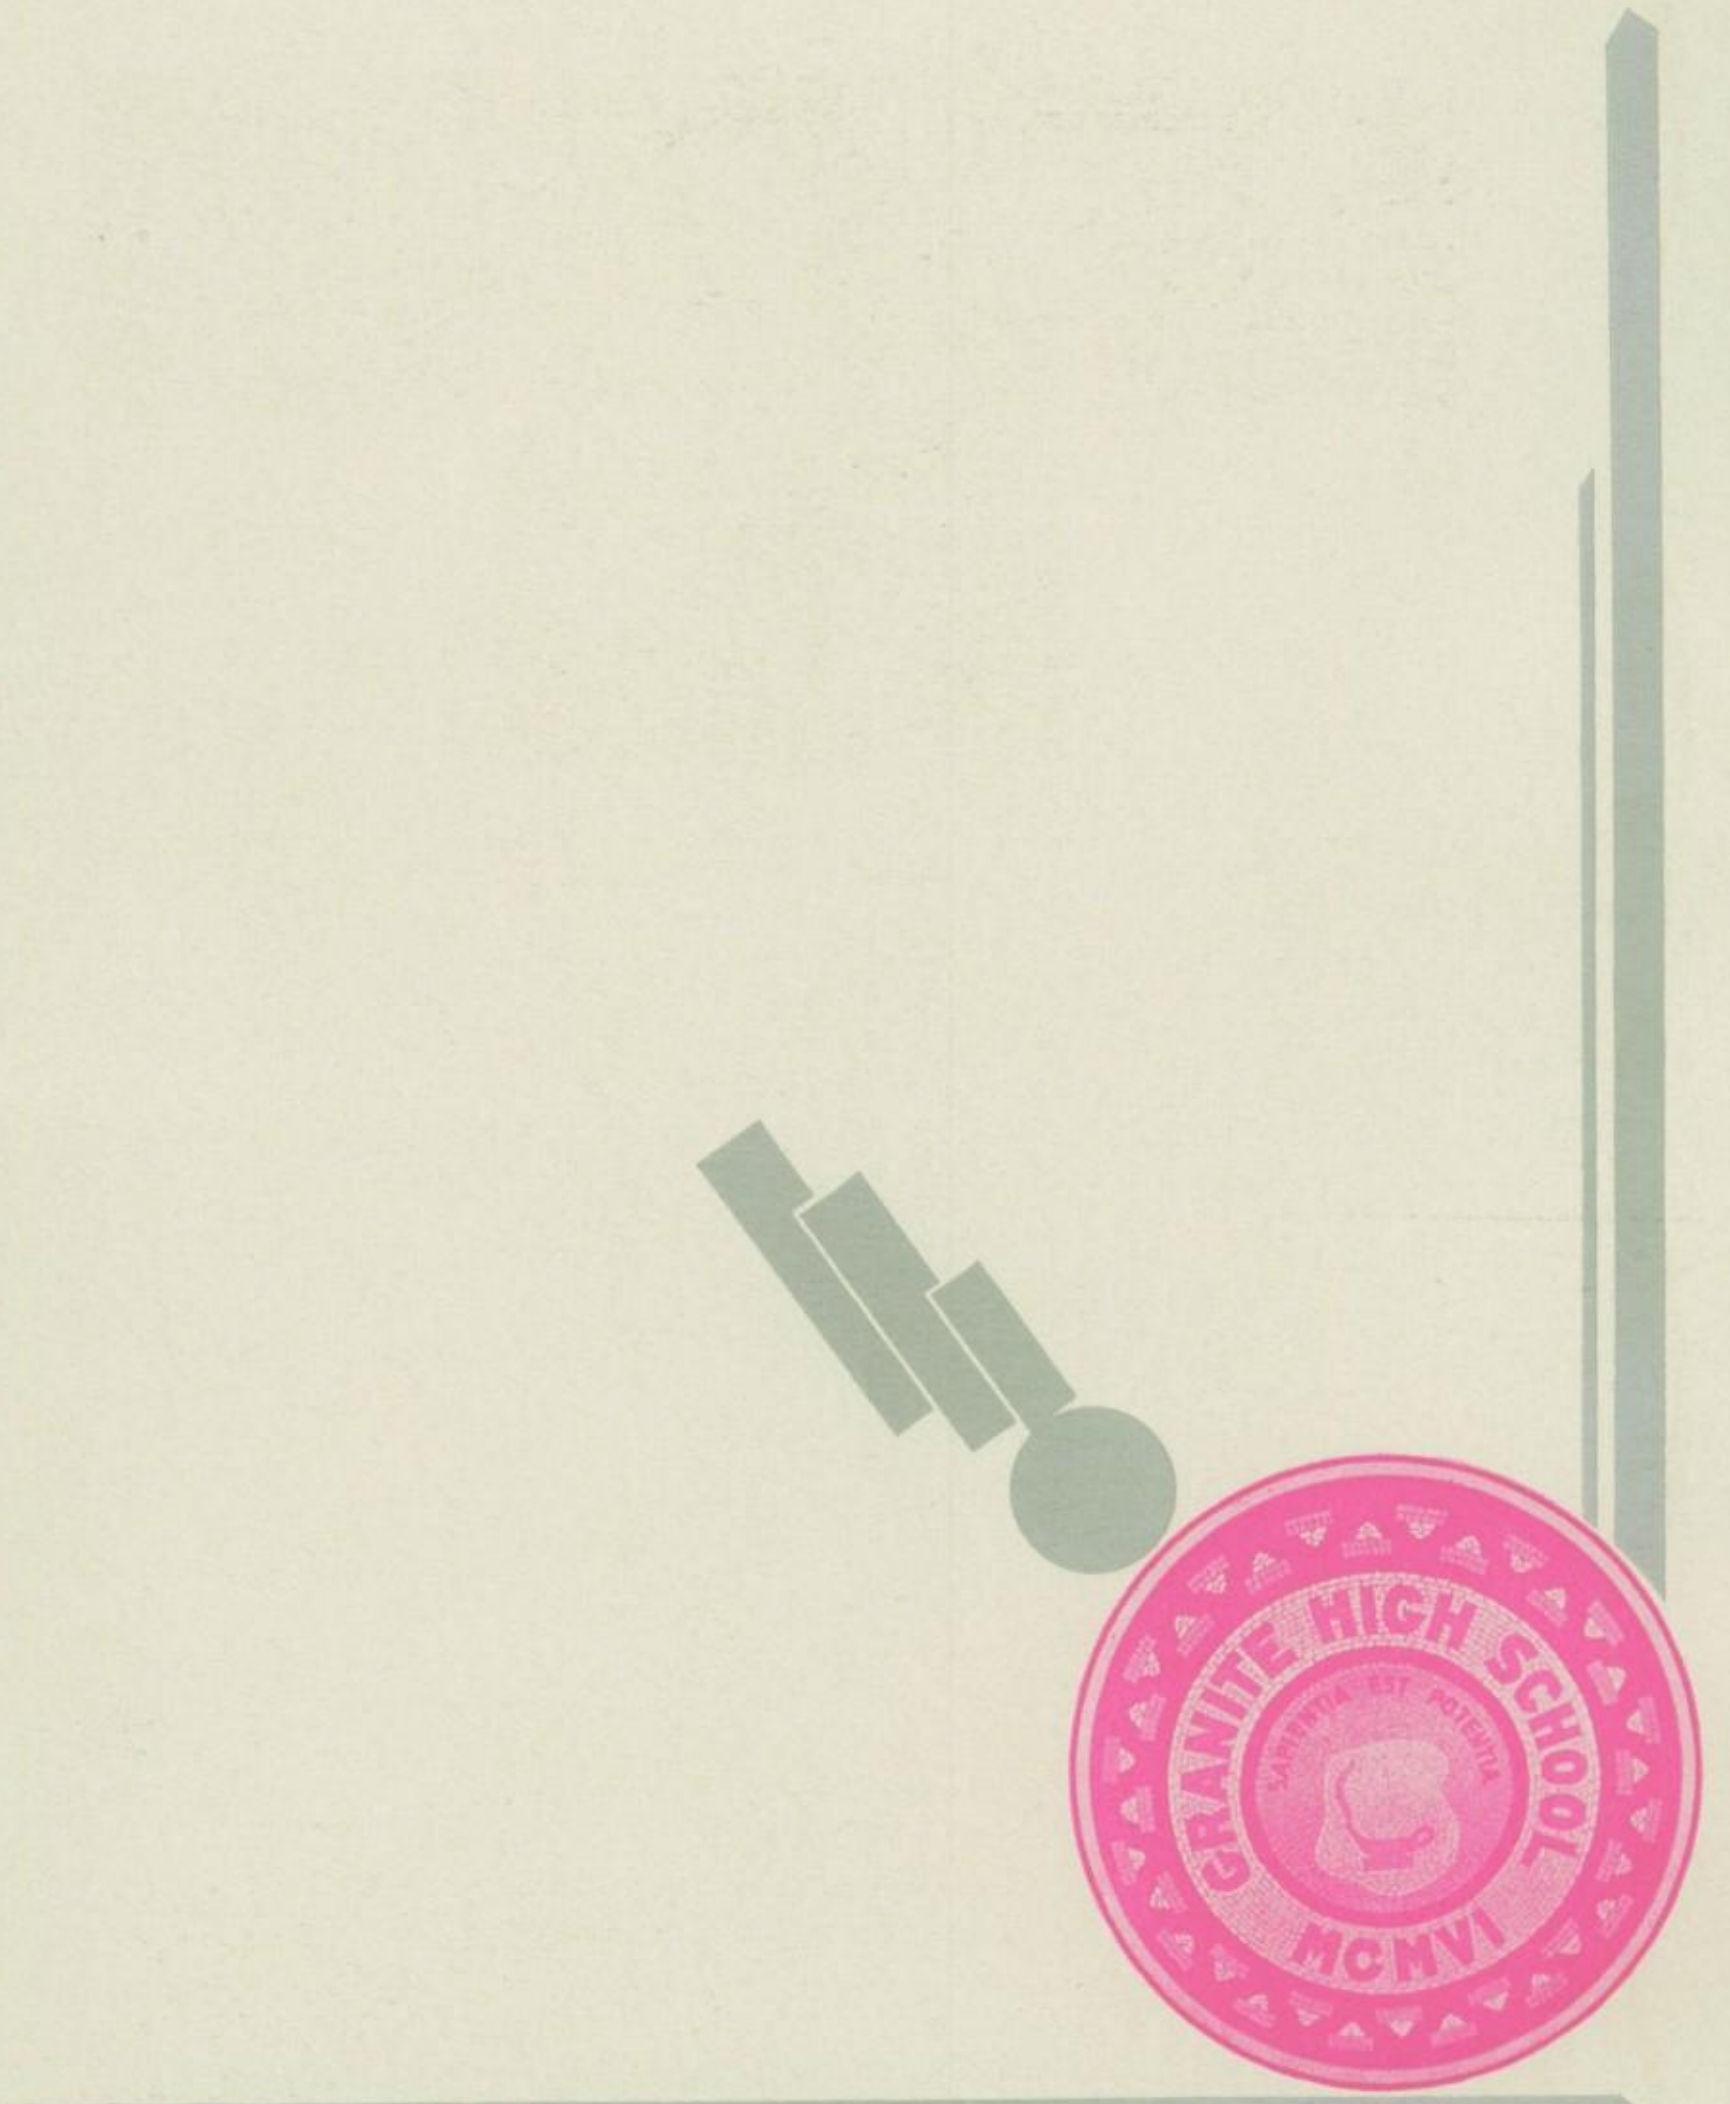
MEMORIES

Honorable Mention
Pro Lita Poetry Contest

Silently and softly still,
Old memories will return
To haunt us in our quiet hours;
The while our lone hearts yearn
For dim yet cheerful halls
And high and stately walls,
Echoing lilting laughter constantly;
For joys forever past
And youth that could not last
We'll miss those years that passed so happily.
But these dear memories will not sadden;
They'll but serve the more to gladden,
And send us cheerfully to do our chosen parts,
For, dear Granite, you have taught us
Work brings peace and happiness,
And we'll treasure long your memories in our hearts.

—Juanita Spanton.



ACTIVITIES

SONG OF "G"

When sight and sound of the campus
Fade in the long, busy years,
Yet will return in the memories
Echoes of old songs and cheers.
You of the field, track and diamond,
Fighters for clean victory,
You who love the fair, square, sport,
You'll hear the song of the "G."

Go it, Granite, Go it, Granite!
Hear the battle cry:
Go it, Granite, Go it, Granite!
Yours 'til we die.
She will remember, you'll not forget her
Though you are far away,
She is calling, calling to you ever,
Honor the grand old "G."

HAIL GRANITE!

To your call once more we rally,
Dear old Granite, hear our praise;
Where the Rockies tower above us
Filled with joy our voices raise;
From the skies in swelling echoes
Come the cheers that tell the tale,
Of our victories and your heroes,
Hail dear Granite, Sing, all Hail!

Hail! Hail! Dear Granite High,
All hail our colors dear!
Hail! Hail! Dear Granite High,
Our loyalty knows no fear—
Rah! Rah! Rah!
Ever faithful, ever true,
Our spirit will not die;
Thus we raise our song to you
All hail dear Granite High!

SONG OF VICTORY

We're loyal to you, Granite High
We're red and we're blue, Granite High.
We'll back you to stand against the best
in the land,
For we know you have sand, Granite High,
Rah! Rah!
So crack out that ball, Granite High
We're backing you all, Granite High
Our team is our fame protector—
On boys, for we expect a victory from
you, Granite High!
Cha He, Cha Ha, cha ha ha ha,
We're here Granite High!
Cha He, Cha Ha, cha ha ha ha,
We're here Granite High!

Granite High, Granite High,
Granite High! Rah! Rah!
Fling out that dear old flag of red and
blue;
Lead on your sons and daughters fighting
for you,
Like men of old on giants placing reliance.
Showing defiance! Osky Wow wow!
Amid the hills and vales the prides of our
land;
For honest labor and for learning we stand;
And unto thee we pledge our heart and
hand,
Dear Granite, we all love you, Rah!

PEP SONG

We're a jolly bunch of farmers,
We're the gang from Granite High.
We came here to win a victory—
Our motto: Never say die
Rah! Rah! Rah!
We've got a fighting bunch of fellows
True as steel to Red and Blue.
Come on boys, go in and get 'em,
Grab 'em by the neck and shake 'em,
Win, boys, the game for Granite High.

ONWARD, DEAR GRANITE

Onward, dear Granite, go
Triumph o'er every foe
As we sing Red and Blue to thee
Proudly and loyally
Go in and win, dear Granite,
Let fame and glory grow
Our Alma Mater
Dear Old Granite, Go!

THE GRANITIAN

Games, campus news, parties, clubs, lessons! Our history book records these. The most important history in the world—this. Though world events slip from our grasp, always will remain the events of 1934.

Success to the staff of 1935!

THE PAPER

With bowed heads the students go home. Officials report no cause for anxiety. Just another issue of the Granitian is circulated, and the students can't wait until they get home to read their papers. Such is the appeal of the school paper.

THE PLAY

Crooks, princes, social lights, and lovers were important characters of the school play, "The King Rides By," presented in the auditorium, December 7th and 8th.

At the bottom of the trouble, as usual, is a woman, the overly emotional Baroness Dorset-Daguerre-von Eschenbach, Judge Dorset's former wife, who visits him in hopes of meeting a prince. The prince fails to arrive but Cash McCord, a gangster takes his place, steals the jewels of the Baroness with the help of his former wife, the maid, and is foiled by Simmons, the butler.

Kate, a reporter, uncovers his plan but Judge Dorset forgives Cash and offers him a new start in life. Of course, the maid and Cash are reunited and with a decision to make good. They begin a life of success, love, and happiness which goes on as usual for ever and ever.

DEBATING

The question which has puzzled the members of the team this year is this: Resolved: that the property valuations upon which public utilities operating in the State of Utah are entitled to earn a fair return, should be their valuation for tax purposes."

The "Aye's" who will discuss this question are Robert Farrell, Osmond Harline, and Lillieth Van Dam. The "Naye's" are Pierce Brady, Everett Gibby and Norman Jacobsen. The debating coaches are Mr. Greene, Miss Finch and Mr. Gardner.

FRENCH

Have you seen a model of the Eiffel Tower? If you have not, examine the pin of the French Club. The pin is of gold and is patterned from this famous tower.

The object of this club, "Vivacite," meaning vivacious and peppy, is to acquire a better and clearer understanding of the French language. The members of the club accomplish their purpose by sponsoring a French assembly, and by giving parties. The colors of the club, lavender and silver, suggest "La Belle France." This club was organized in 1928.

FOOTBALL

Granite vs. Carbon

GRANITE VS. CARBON

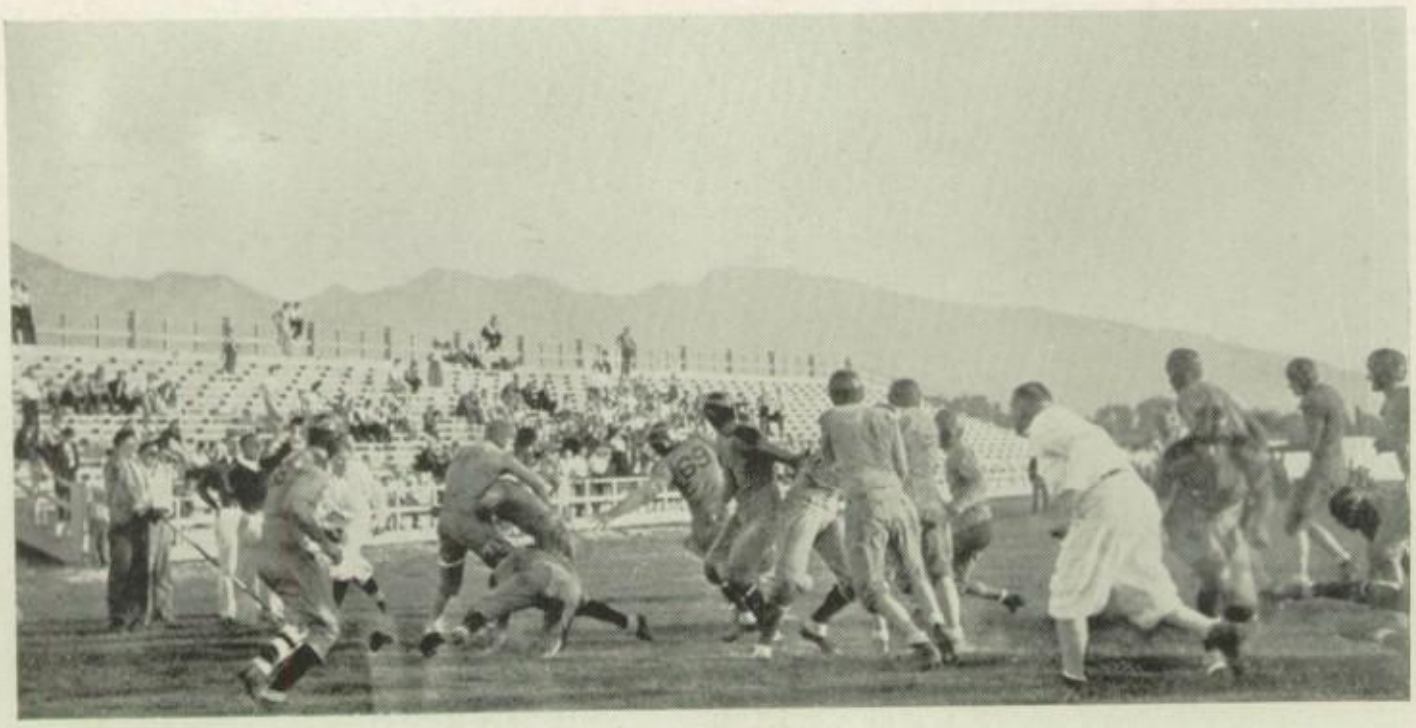
After three weeks of practice the football team started the year right by defeating Carbon 19-0 in a pre-season game on September 30. Our team worked with every element of team work, and displayed power and efficiency in practically ever play. In the game, Coach Sutherland entered three complete teams, displaying the amount of reserve material available.

GRANITE VS. CYPRUS

On October 21, Granite played her first league game with the Cyprus "Pirates." Our team won 15-0. Les Kramer and Frank Mackay led the scoring attack.

Captain Karl Schleckman proved to be a capable leader by his commendable work on the forward line, while Jack Stringham handled himself brilliantly in the backfield.

Although we won from a strong and well-developed team, fumbles and poor plays marked Granite's performance.



Granite vs. Cyprus

FOOTBALL

Granite vs. Jordan

GRANITE VS. JORDAN

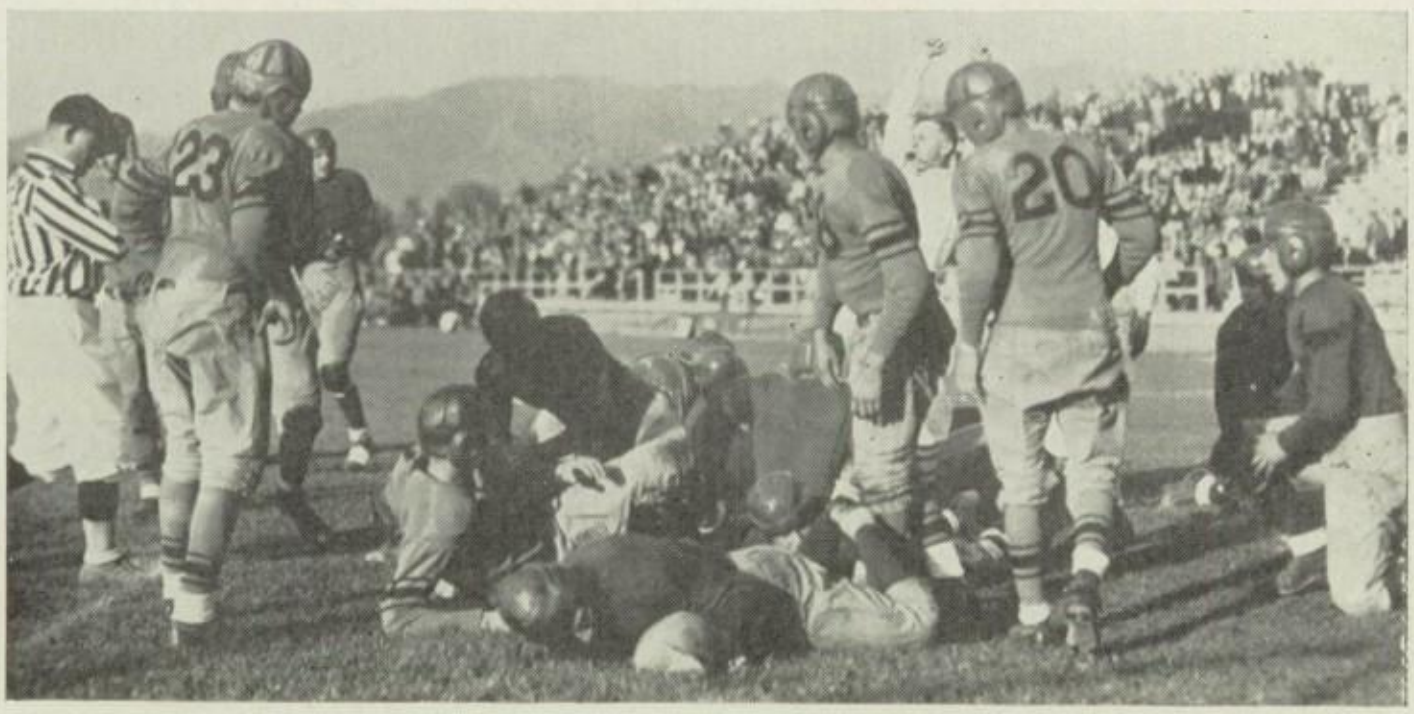
A ninety-yard run to a touchdown on the opening kick-off of the game by Everet Wood, assisted by timely and expert blocking by the rest of the team, proved the margin of victory in the Granite-Jordan game of November 10. The score was 13-6.

Granite's second score came from a perfect pass, Pendleton to Henroid. This victory, which proved that Granite could take defeat and then come back to win the next game, gave us second place in this region.

GRANITE VS. DAVIS

In the game played on October 21, we encountered the big and powerful Davis "Darts." Using a well-developed passing attack and an overpowering line attack, our team defeated Davis 21-0.

Our team showed much improvement in passing, kicking, and in executing plays and end runs. Showing the well-known Granite fight, the team held Davis from scoring and out-played them in almost every part of the game, despite the size and speed of some of the members of the Davis team.



Granite vs. Davis

Athletic Managers

Eldon Miller — Martell Bodell

GRANITE VS. BINGHAM

Showing much improvement over the type of game it played against Cyprus a week before, the team triumphed over a stubborn Bingham eleven 25-0. In the game played October 13, Granite showed her defensive powers by holding the "Miners" from making a single first down. Jack Stringham, fullback, Les Kramer, halfback, and Everett Wood, end, were outstanding in their positions.

GRANITE VS. TOOELE

On October 27, we lost a well-played game to a fast Tooele eleven by a small margin of 9-7. Tooele used a number of deceptive plays, which in the opening quarter of the game completely bewildered our boys. In the remaining periods of the game the "Fighting Farmers" out-played the Tooele aggregation. Granite threatened the Tooele goal many times, but seemed to lack the necessary power to score against the strong defense of the Tooele team.

GRANITE VS. LOGAN

On November 17, we lost a post-season game to the Logan High School "Grizzlies," 13-7.

Logan presented a snappy well-played attack which led to two scores and the victory, while our team fumbled passes and plays which might have given us the game.

Last year we played Logan for the state championship.

BASKETBALL

BINGHAM vs. GRANITE

After going through several pre-season games without suffering one defeat, our team turned back a speedy Bingham five, 40 to 21, on January 5.

Granite displayed a highly defensive game which forced Bingham to shoot at the hoop from a long range.

Crowton, center, and Pendleton, forward, were sensational on our front line, while Heesch and McDonald played outstanding games on the guard line.

MURRAY vs. GRANITE

On January 12, we lost an exciting game to an inspired Murray team. This was the most stunning upset in our schedule, as we were favored to win by a large score.

Granite led Murray up to the last few minutes of play, when Murray tied our score. In the last minute of play a Murray substitute guard made a basket from the middle of the floor, defeating us 34 to 32.

DAVIS vs. GRANITE

After suffering defeat at Murray's hands, our team came through with a decisive victory on January 19, over the fairly strong Davis "Dart" five.

Crowton, Kramer, and Pendleton hit the hoop consistently, and the team on the whole functioned effectively. The final score was 59 to 18.

JORDAN vs. GRANITE

In our next game, January 26, we won a rapidly moving game from the Jordan Beetdiggers, 33 to 23. Jordan had control of the first half until "Rats" McDonald entered the fray. The score at the half was 16 to 10 for Jordan.

During the last half Granite displayed an efficient passing attack. Mackay and Kramer played fine defensive games for us, while McDonald and Crowton played good offensive games on the forward line.

TOOELE vs. GRANITE

On February 2, our team took revenge from the Smelterites for the defeat we suffered at their hands in football, by defeating them by the impressive score of 34 to 11.

Our team led Tooele all the way, and our lead was not even threatened once during the contest.

All of the members of our team "clicked" well and turned in good individual and team performances.

BINGHAM vs. GRANITE

On February 5, our team easily won a lop-sided contest from the Bingham Miners. The final score was 58 to 23.

Stew Pendleton played one of the most memorable games in his career. By his rustling and great floor game, Stew provided Ralph Crowton, who led the scoring attack, many opportunities for scoring.

CYPRUS vs. GRANITE

A scoring attack led by Pendleton and Crowton and backed by the rest of the team, gave us an impressive victory on February 9 over a plucky Cyprus five.

At the half we led the Pirates by a score of 30 to 8, but during the last half the fighting Cyprus team played on even terms with us. Despite this last-half stand of the Pirates, our team won 46 to 24.

MURRAY vs. GRANITE

Our next game was fought against the Murray five. In this contest our team avenged the two-point victory which Murray took from us in our game with them earlier in the season. We cver-powered the "Smelterites" 46 to 14 in a one-sided game.

Ralph Crowton led Granite's scoring attack by sinking more baskets than Murray's whole team, while Ralph Mc-Donald and Stew Pendleton rustled the ball sensationally and Les Kramer played an outstanding game on the guard line.

GRANTSVILLE vs. GRANITE

On the 23rd of February our team took an overwhelming victory from Grantsville. Ralph Crowton again led Granite's scorers with 31 points. The other members of the team continually "hit the hoop" to garner the high score of 77 as compared with Grantsville's 27. Pendleton showed his usual brilliant floor work in his last game played for Gran-ite.

JORDAN vs. GRANITE

Our last district game was won from the Jordan Beetdiggers in a spirited contest on March 2. The final score was 39 to 23. Although closely guarded, Crowton again accounted for a large portion of Granite's score. Our team was working at its best and turned in a fine game. Jordan's guards displayed a highly developed guarding game. This victory gave us the District Champion-ship.

CENTRAL vs. GRANITE

In the game with Central High in the first night of the tournament, Granite easily won 46 to 28. Despite the overwhelming score, the team played poorly as compared with its former performances. Granite was leading by only two points at the half; but after this our team flashed some of its former style, and coasted in for an easy victory.

BEAVER vs. GRANITE

Showing much improvement over their perfomance of the first night, the "Farmers" easily subdued the Beaver five by the convincing score of 43 to 14 in the second night of tournament play. Although the last quarter was played by our reserves, Granite's score continued to mount. The entire team played an exceptionally fine game.

Central 28; Granite 46

LEHI vs. GRANITE

In the third night of the tournament, Granite outplayed a crippled Lehi team, 33 to 12 to place in the finals of the tournament. Because of the injury of two of the "Pelican's" star men, Granite met very little opposition at any time during the game.

We played Lehi for the State Championship last year.

JORDAN vs. GRANITE

On the final night of the tournament, the "Farmers" met the Jordan "Beetdiggers," the runner-up in the Jordan district. In one of the outstanding battles in basketball history, we defeated the "Beetdiggers" by the too close score of 18-16 to win our second consecutive State Basketball Championship. Our team's accuracy in foul pitching decided the game for us.

Wrestling and Boxing

Swimming

WRESTLING AND BOXING

This year, under the direction of Coach Sutherland, wrestling and boxing took a major part in Granite's athletics. As much interest was shown in this activity, several meets were arranged. Our team first met the Westminster Junior College team. In this meet Granite's inexperienced team tied with its older competitors. In a second meet against Westminster, after some exciting bouts, Granite defeated the "Parsons" by a very decisive score.

Some of the members of Granite's team entered the A. A. U. competition in wrestling and boxing. Many of the entrants from Granite made very good showings. Jack Stringham won the 160-pound title in the A. A. U. meet by knocking out every opponent whom he met. Ivan Bland was outpointed by his opponent in a close bout on the last night of the same meet. In the westling division of the A. A. U., Karl Schleckman, wrestling for the Deseret Gymnasium, won the heavyweight championship.

SWIMMING

Granite met very little opposition in the swimming sport this year because of the isolation of the city high schools from state athletic competition. Despite this discouragement, a very capable team was developed under the direction of Coach Sam Baird.

The team met Weber Junior College on February 16. Granite easily won 52 to 23. In this meet Granite took first place in seven of the eight events. On the 23rd of February, the team again met Weber and defeated them. Although Weber showed much improvement, we outpointed them by a still decisive score, 46 to 29. Granite took first places in the 160-yard free-style relay, 220-yard free-style swim, 100-yard backstroke, 100-yard breaststroke, and in the 180-yard medley relay.

In the final contest of the season, the swimming team met the Utah State Agricultural College at Logan. The meet was an exciting duel. With first in the two relays, the breaststroke event, and the short free-style dashes, the "Aggies" won 41 to 34. Granite swimmers took first places in the 100-yard backstroke, in the 220-yard free-style, and in the diving.

TRACK

The track sport, directed by Coach Baker, has enjoyed increased popularity this year. A very efficient team, equal to the team of last year which placed fourth in the State Meet, has been built around veterans such as Wood and Henroid. Many new and capable performers have been developed this year also. Although it is too early to give results, Granite should place high among the teams entered in the State Meet.

BASEBALL

After an absence of three years, baseball again finds its place in the school athletic program at Granite. Because of the great interest in this sport, a competent team has been developed under the guidance of Coach Rex Sutherland. Granite will enter in league competition against Bingham and Davis High Schools. Although it is too early at the time of this writing to give definite results, Granite's team, because of the material available, should make a credible showing.

GIRLS' SECTION

Eva Lindquist

Dean of Girls

From the echoes of Granite's traditions of yesterday may be heard the words, "Granite's claim to a grand old name is as strong as the granite gray." The loyal Granitians of every year are proud of the name and achievements of their alma mater. It was Shakespeare who said, "Who steals my purse steals trash; 'tis something, nothing; 'twas mine, 'tis his, and has been slave to thousands; but he that filches from me my good name, robs me of that which not enriches him, and makes me poor indeed." If this be true of an individual it must be doubly true of many individuals.

Today, it seems to be the spirit of the age to criticise and judge as unworthy the achievements of yesterday. Of course, we should be willing to change for anything that will carry us along to greater progress. But in our determination to change, may we not lose the strength of loyalty and courage that went into the traditions of the past.

So Granitians of this better day, I would challenge you to keep the spirit of the "Grand old 'G'," and rivet more securely to everything that is noble and fine, the name GRANITE.

Sincerely,
EVA LINDQUIST

The Granite Athletic Girls, under the capable direction of their sponsor, Valentine Gorlinski, have accomplished many interesting projects including their annual Get Acquainted Party, Doll Party, and a Girls' Day which included a parade, assembly, fashion show, tea, and a Girls' Dance.

The end of the year brings the completion of an extensive athletic program. Hockey was the main fall sport; an inter-class basketball tournament lasted through the winter; and the swimmers entertained with a swimming carnival, after which life saving was studied. Spring found baseball and track teams out on the field enthusiastically working their way toward perfection.

BASEBALL

"Strike One!" and they're off!

Baseball is a sport in which the girls are more than mere spectators. Spring finds the girls of Granite eager for the diamond sport. These feminine "Babe Ruths" gaily participate in this great American game.

BASKETBALL

An inter-class basketball tournament is a feature which draws a large following.

The girls' Athletic program at Granite is not complete without hockey.

SWIMMING

Swimming, a lifesaving course, and the Water Carnival are the features of this group.

DANCING

Several dance revues have been presented during the year.

LIBRARY ASSISTANTS

M. Hartley | F. Parry, G. Gudmundsen | H. Buehner, V. Grass | M. Harrison, P. Jones | B. Lund

LIBRARY ASSISTANTS

Students who assist in the library must combine efficiency with willingness to work. Two students are selected from each period to help in the library. It is the duty of one of the assistants to check out books. The other checks in books , renews them, places the books on the shelves, and helps students in their reference work.

REST ROOM COMMITTEE

This year Miss Lindquist has introduced a new system of managing the rest room. The girls selected for this committee, devote one period each day to taking care of the rest room. Their duty is to make any girl who is sent there as comfortable as possible and to notify Miss Lindquist if further help is necessary.

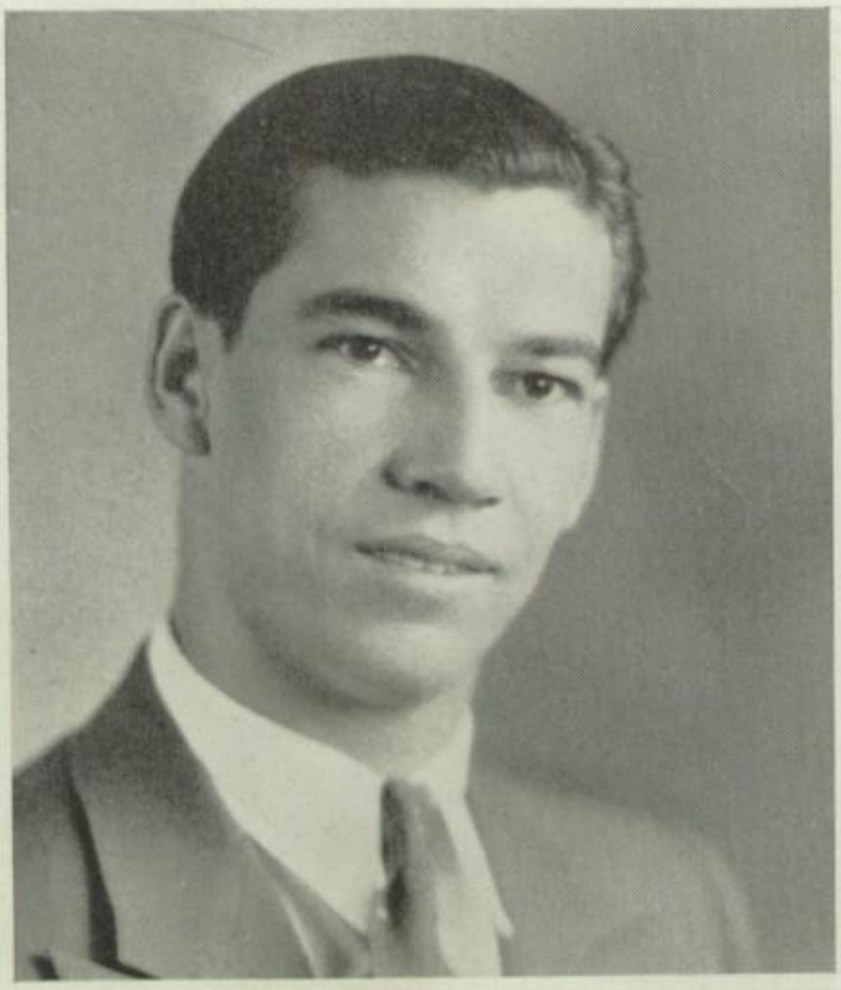
Bud Reed

Because even his enemies (if any) would like him, because he has made of friendship a fine art, because he is an athlete of distinct worth, because he represents sportsmanship in its highest form, Ralph (Bud to you) Reed wins first place in your esteem as a friend.

Dion Brown

Demure, pretty, (and blondes please take notice) brunette Dion Brown is Queen of Granite Hearts for 1934. As your representative of friendship, Dion has served as an officer in the Junior class. She ably demonstrated her ability as a member of the Prom committee.



Stewart Pendleton

In our student body president, we find a leader whose every thought and action is characterized by sincerity. An outstanding athlete, a leader who inspires admiration, a scholar, a representative Granitian. For our Achievement honors, we name Stewart Pendleton.

Eddis Bunker

Her winsome smile, her gracious manner, her cheerful disposition, her loyalty to Granite, her Granitian brothers . . . for these reasons and a host of others, pretty Eddis Bunker, our student body vice-president, finds a prominent place in the Achievements of 1933-34.

more Luck to your
in your future life
Marty Bodell

Martel Bodell

Marty wins a special place in our esteem and affection for his tireless energy. As secretary of the student body, and as athletic manager, Martel Bodell wins Achievement for the distinction he has brought to his offices.

Gwen Wagstaff

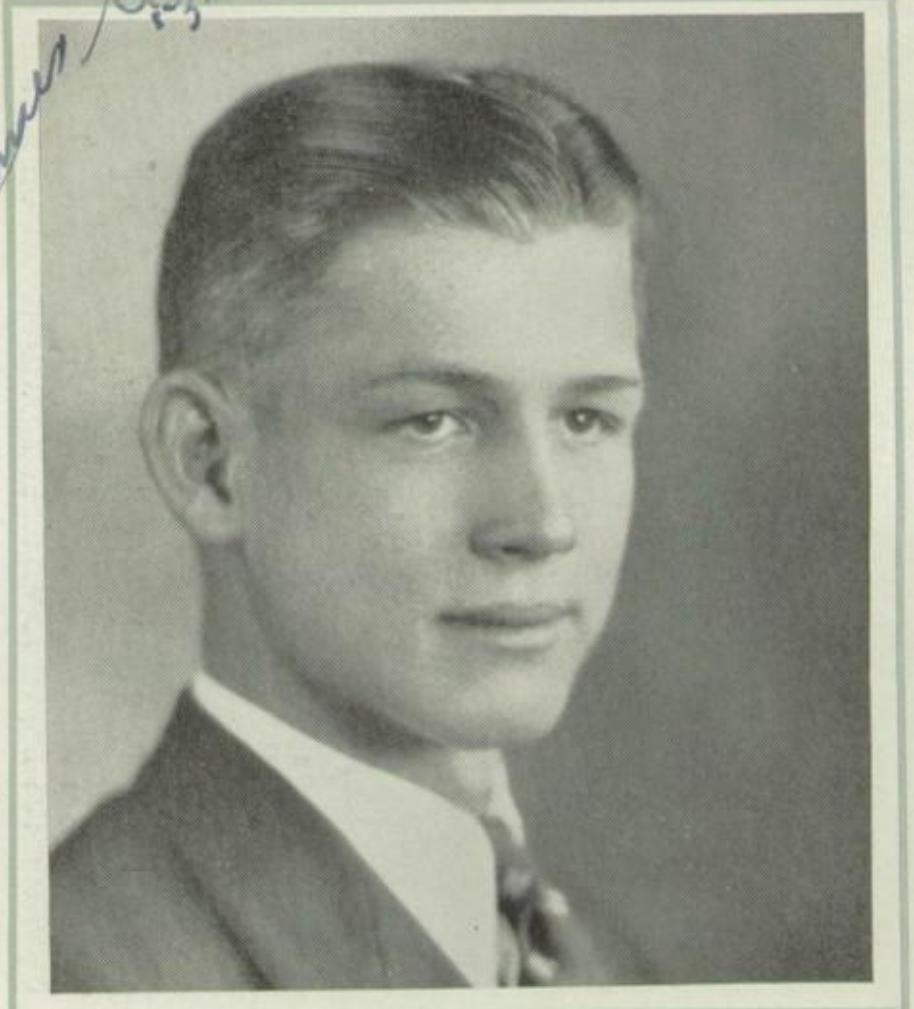
Gwen occupies a position of prominence in the annals of Achievement for her brilliant scholastic average. Not content with maintaining the highest average in school, she has generously given her talent to school activities. Wherever there is work to be done, we find Gwen.

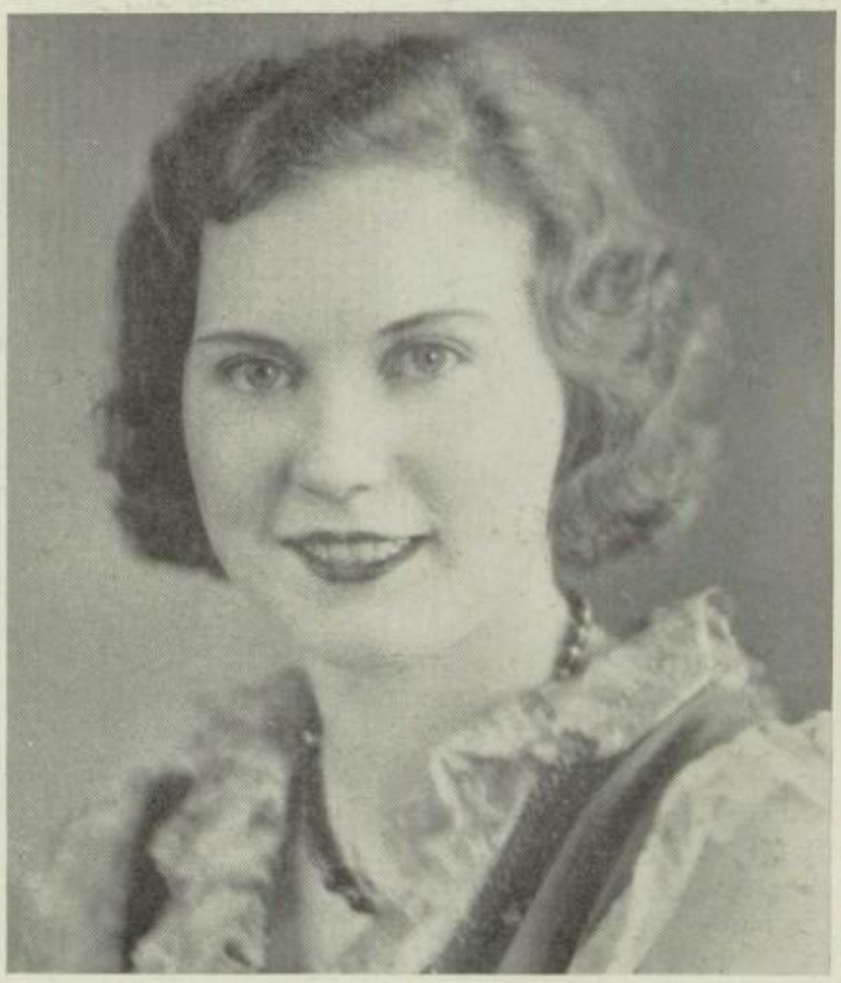
Norma Mackay

Because she is modest in Achievement, brilliant in scholastic activity, capable in leadership, untiring in effort, the Granitian staff wishes to honor the editor of the 1933-34 publication . . . Norma Mackay.

James Christensen

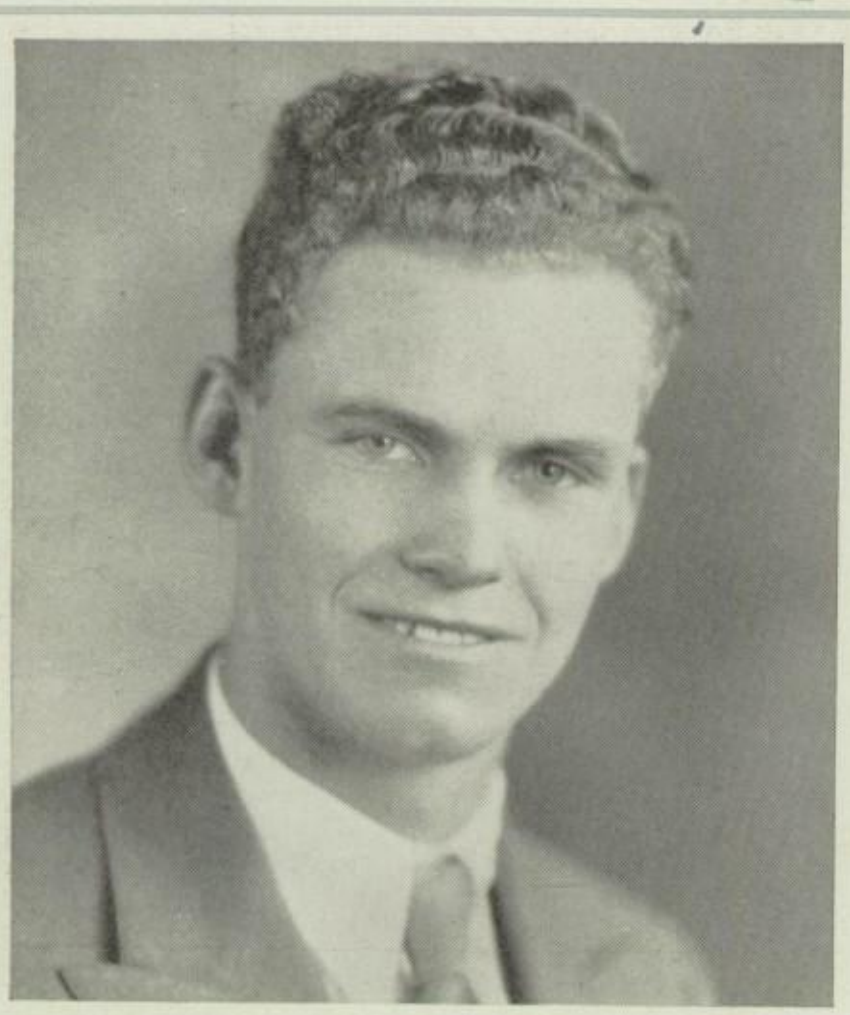
Judge James Christensen of the student body court wins a place of honor for his service. His strict performance of duty, his exemplary personal conduct, his participation in the school play, and his service in the band, are items of importance in his list of Achievements.





Afton Wagstaff

For her service as editor of the school paper, Afton has contributed to the Achievement of Granite. She was elected to her position of honor by the popular vote of the student body. She has graciously and capably served her trust.



Everett Wood

Though his accomplishments are carefully veiled by his modesty, we discover that Everett has won recognition in football, basketball, and track. For his contributions to the name of Granite, he deserves a place in our gallery of Achievement as an outstanding athlete.

ACHIEVEMENTS OF OUR 1932-33 ALUMS

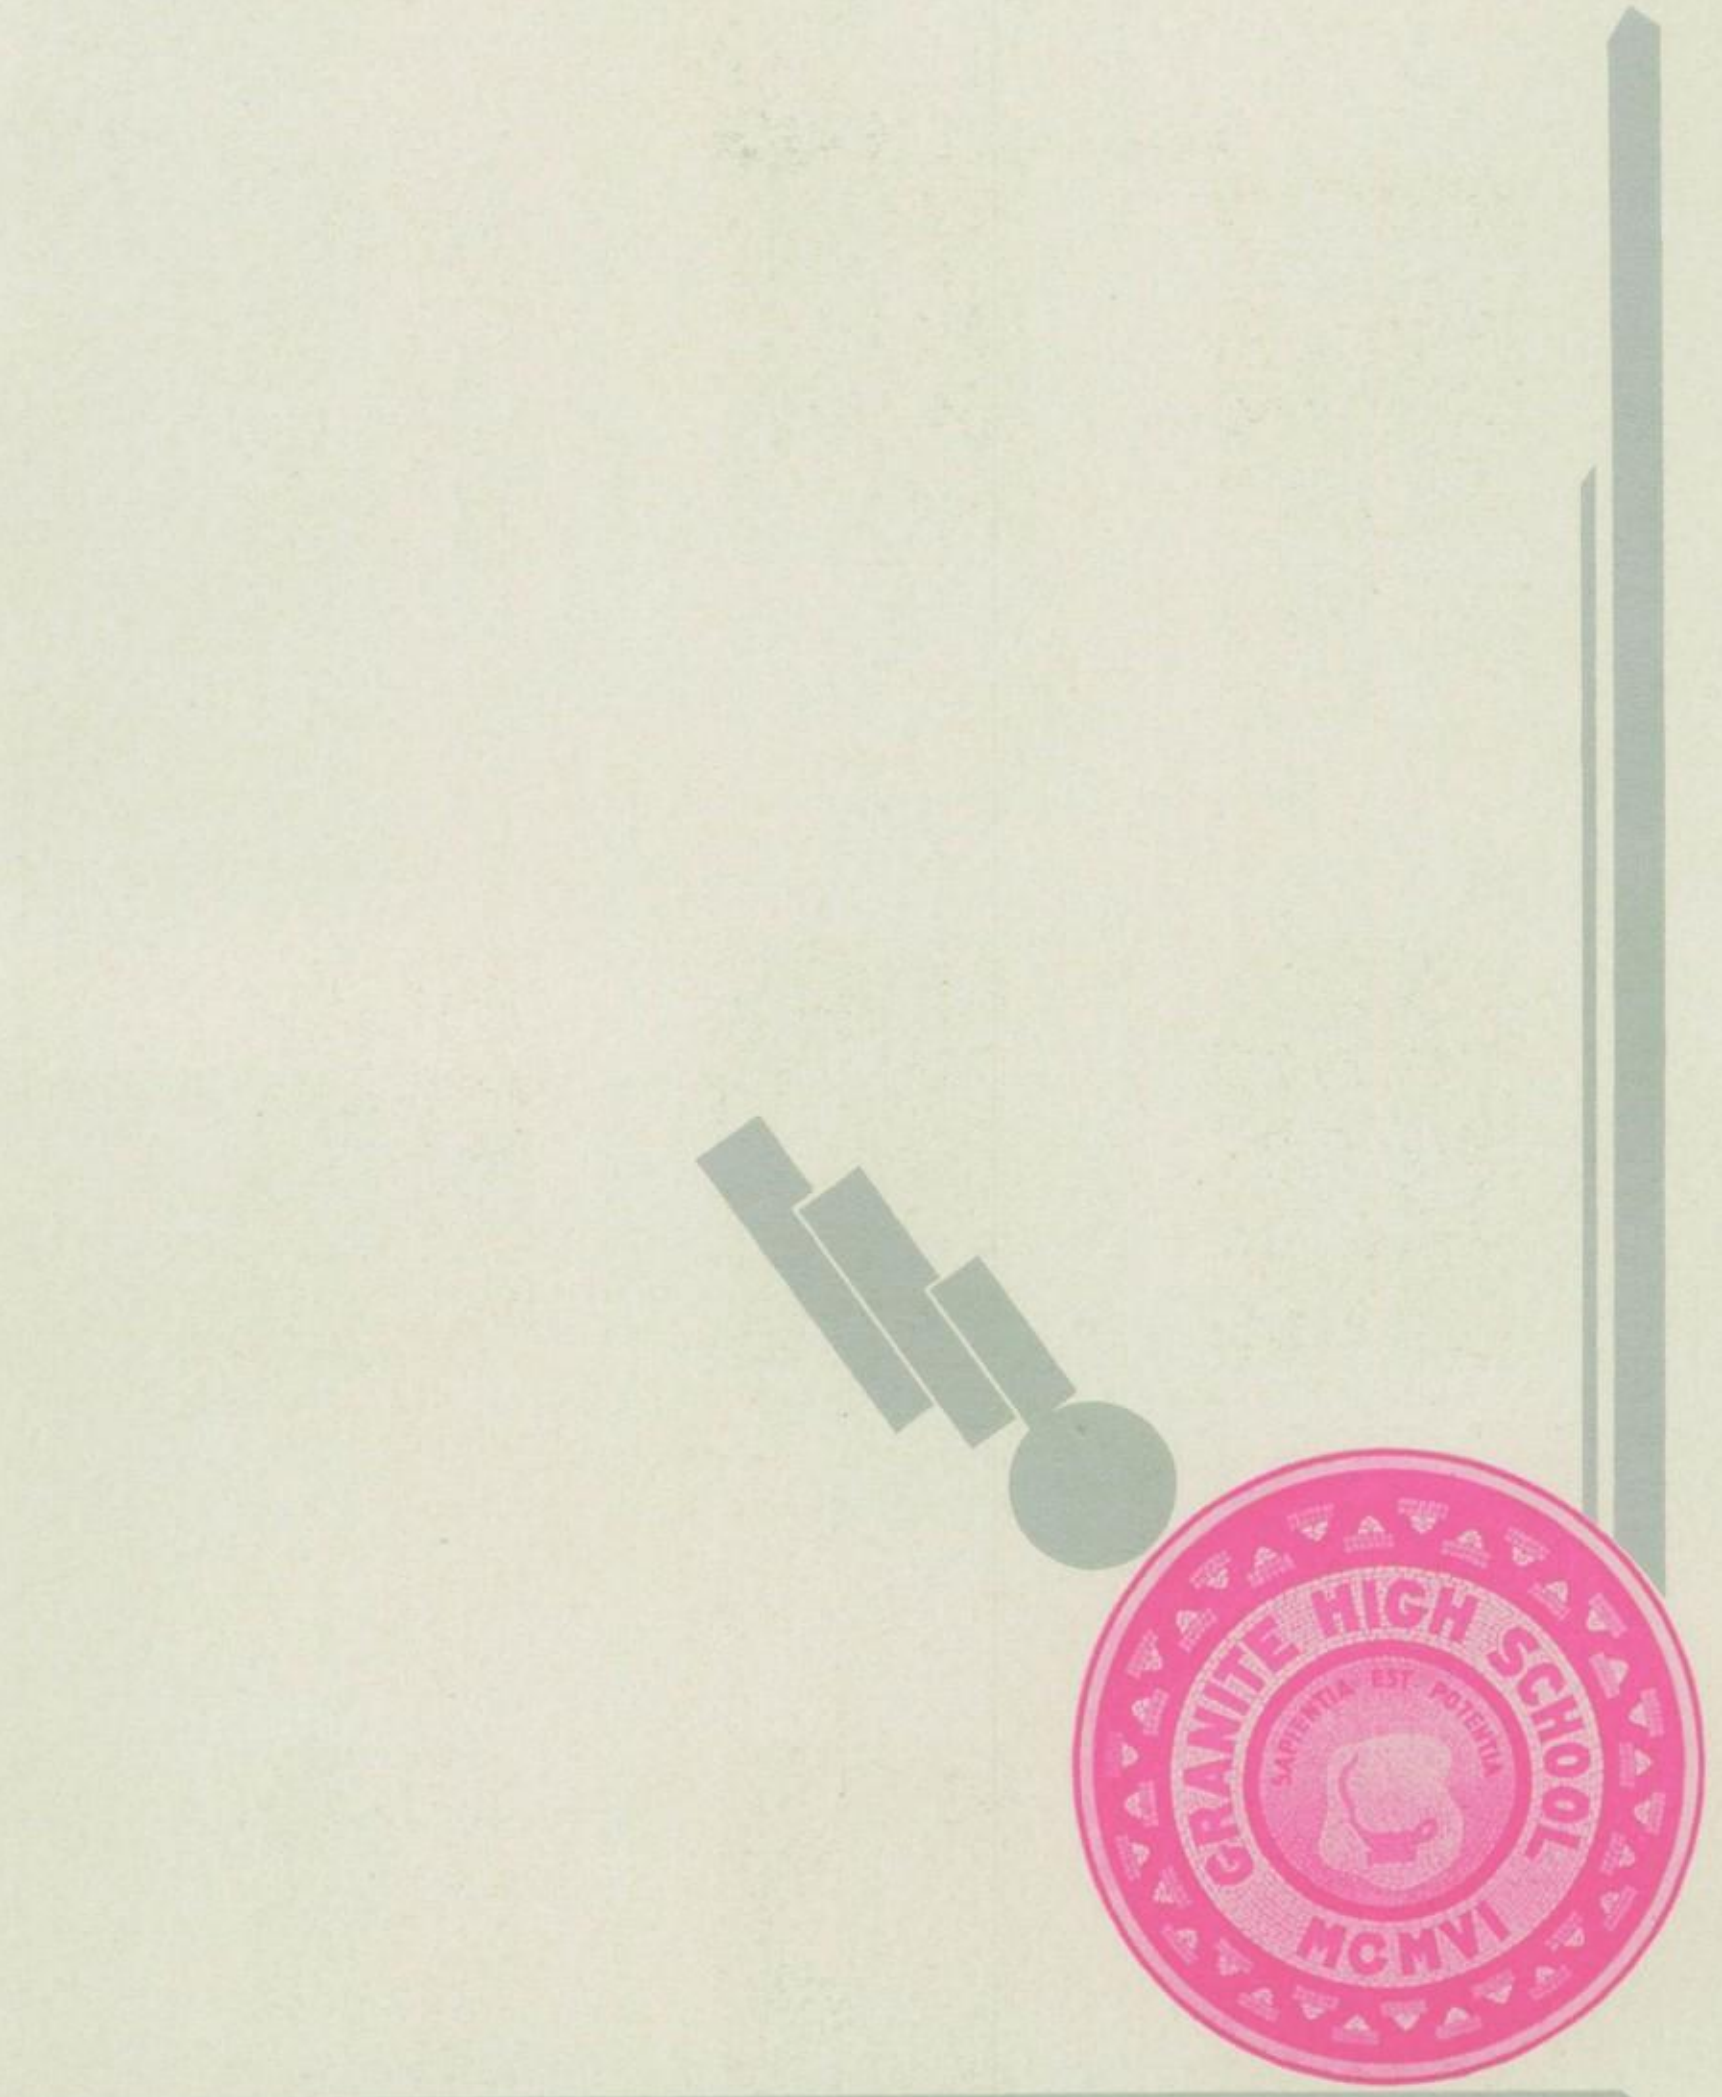
Bob Wright is attending school at the University of Utah.

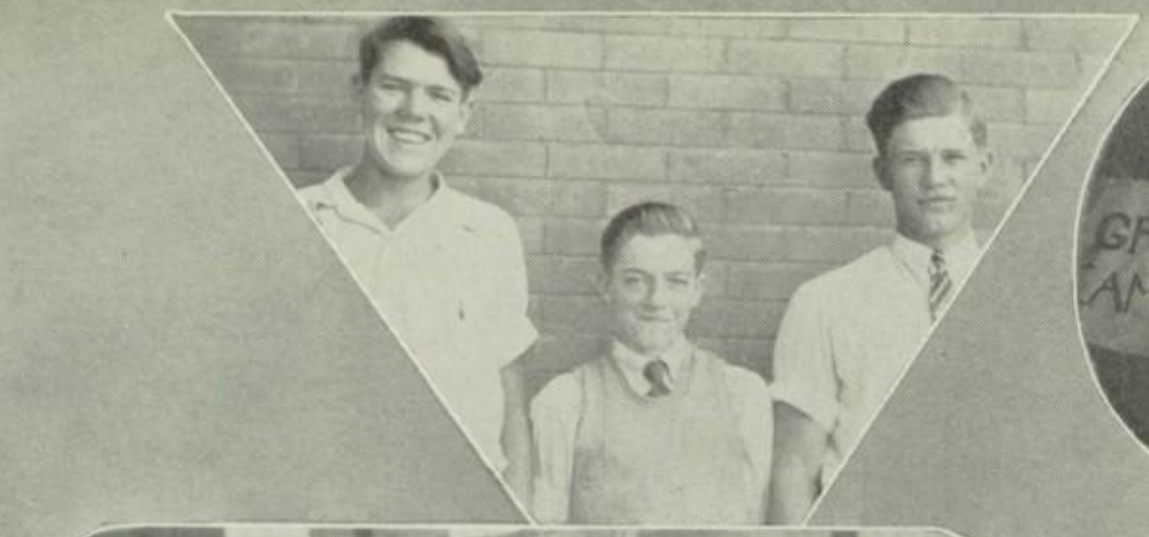
Tommy Kurmada is a member of the swimming team at the University of Utah.

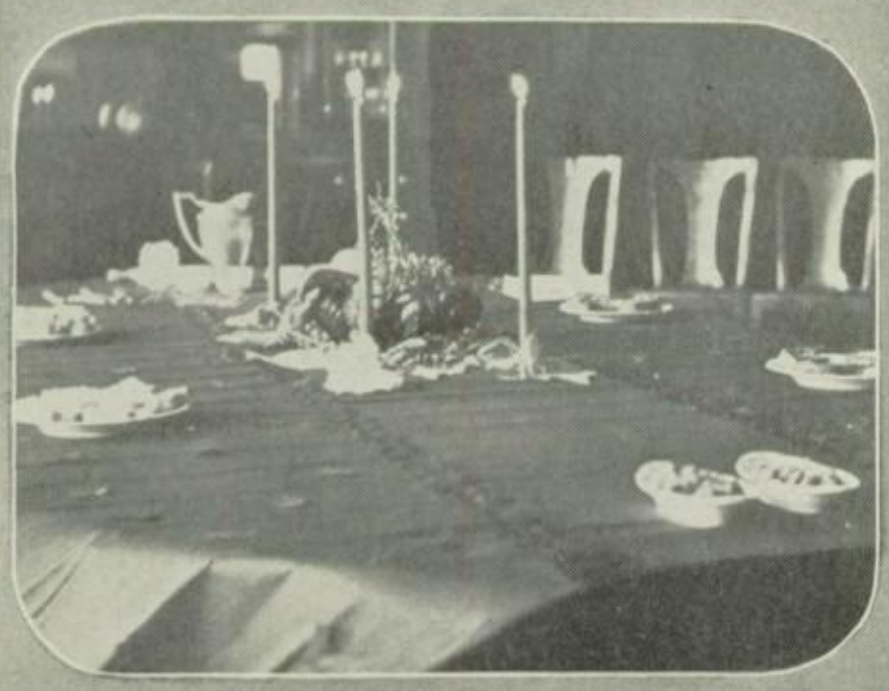
Bob Bunker is a student at the Utah State Agricultural College.

Lorna Ence is taking a course in nursing at the County Hospital.



STUDENT LIFE





Cows, sheep, horses, or what have you? These boys are the State Champions in judging their stock.

Awh! We fooled you. They're not flour sacks. Guess again. No, it's not the cooking boys either. These are the weird images who haunted Granite's halls on October 31.

Naw' ther' ain't no depression. It's all a disguise for the Girls' Get Acquainted party.

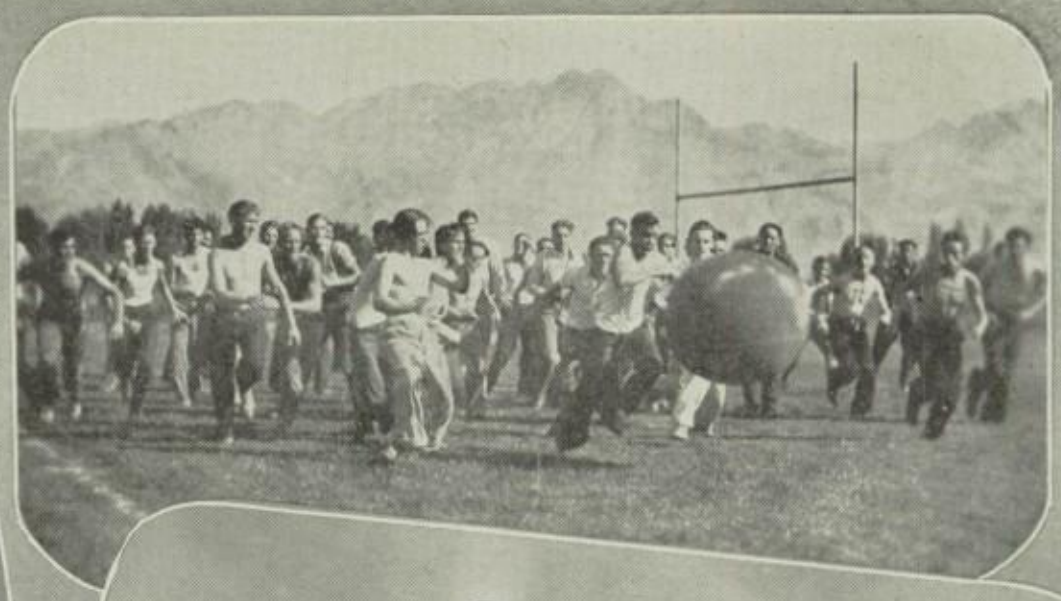
One year gents prefer blondes. This year it was a brunette, but the smiles of these vice-presidents have "it."

You've got to bend if you wanta' keep thin. Come on boys, you've got to bend to help Granite win.

Uncle Ben and the Big Bad Wolf were favorites at that Tower of Babel during Oran's initiations.

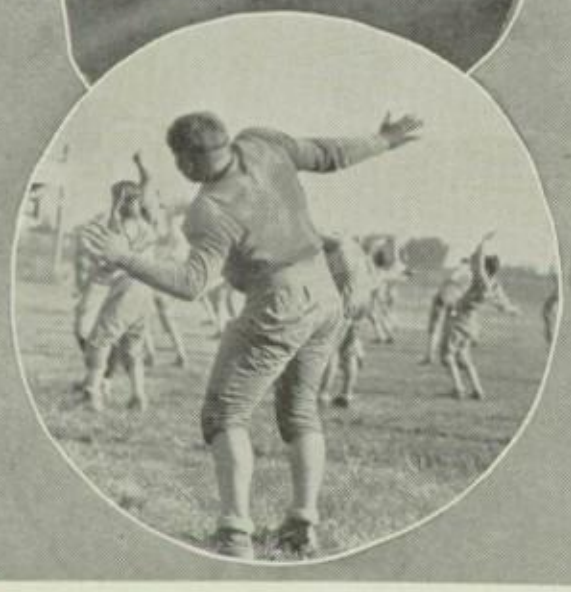
Who said our boys didn't know their table setting, especially when it's for a Hallowe'en tea in their honor.

Scott's smile and white apron are the official signals—school's on for another year.



Gridiron version of the St. Louis Blues, or is it the Mae West influence?

The ball weighed a ton until Karl Schleckman (and his ears) gave it a leetle push.



Keep your eyes on the little bouncing ball. Altogether now folks. . .

What is this, a necking party or a game? There's Mackay. Must be a necking party. His eyes are closed! He thinks he is in the hall.

Old hens and young chickens interest these two Ag. Club roosters, but feminine Soph ducklings are their specialty.

The boys try out Madame Sylvia's famous exercise for reducing the . . . Well anyway, this gives you a rough idea.

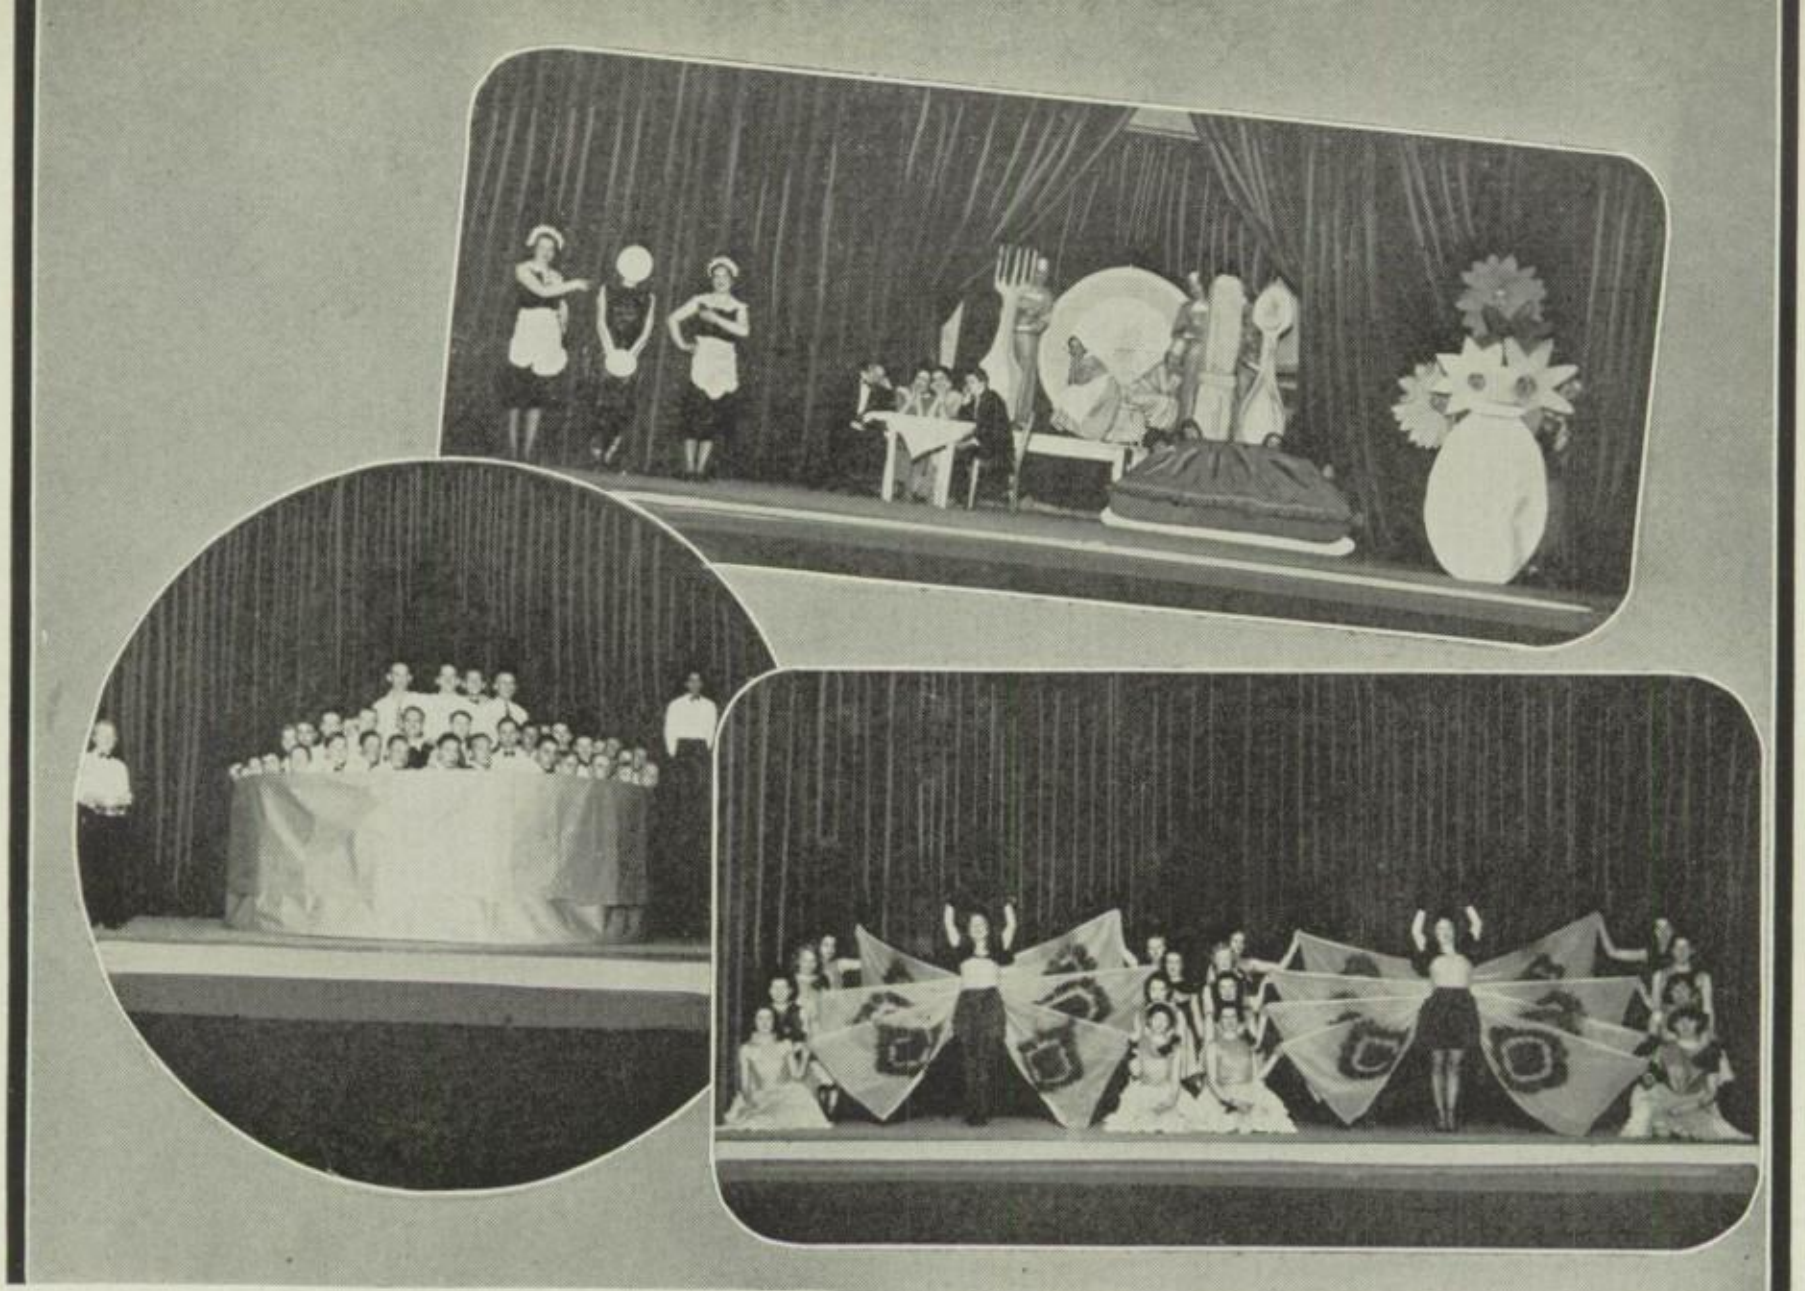
Collecting silver loving cups is the hobby of these lads who are wizards at judging chickens, cows, and hay.

Happy? You bet. We're smiling for you Granitians who selected us as the semi-finalists of the favorite farmer contest.

Say, Mr. Nelson, how about borrowing a locker key? I lost mine.

"Friends are a safe investment and personality is a magnet." This is the secret guarded by all of these popular studes.

They're no hayseeds but they're "Fightin' Farmers" who know their onions.



Was it a dream? Well, the dishes and food actually walked during the senior prize winning stunt of the doll party, so suit yourself.

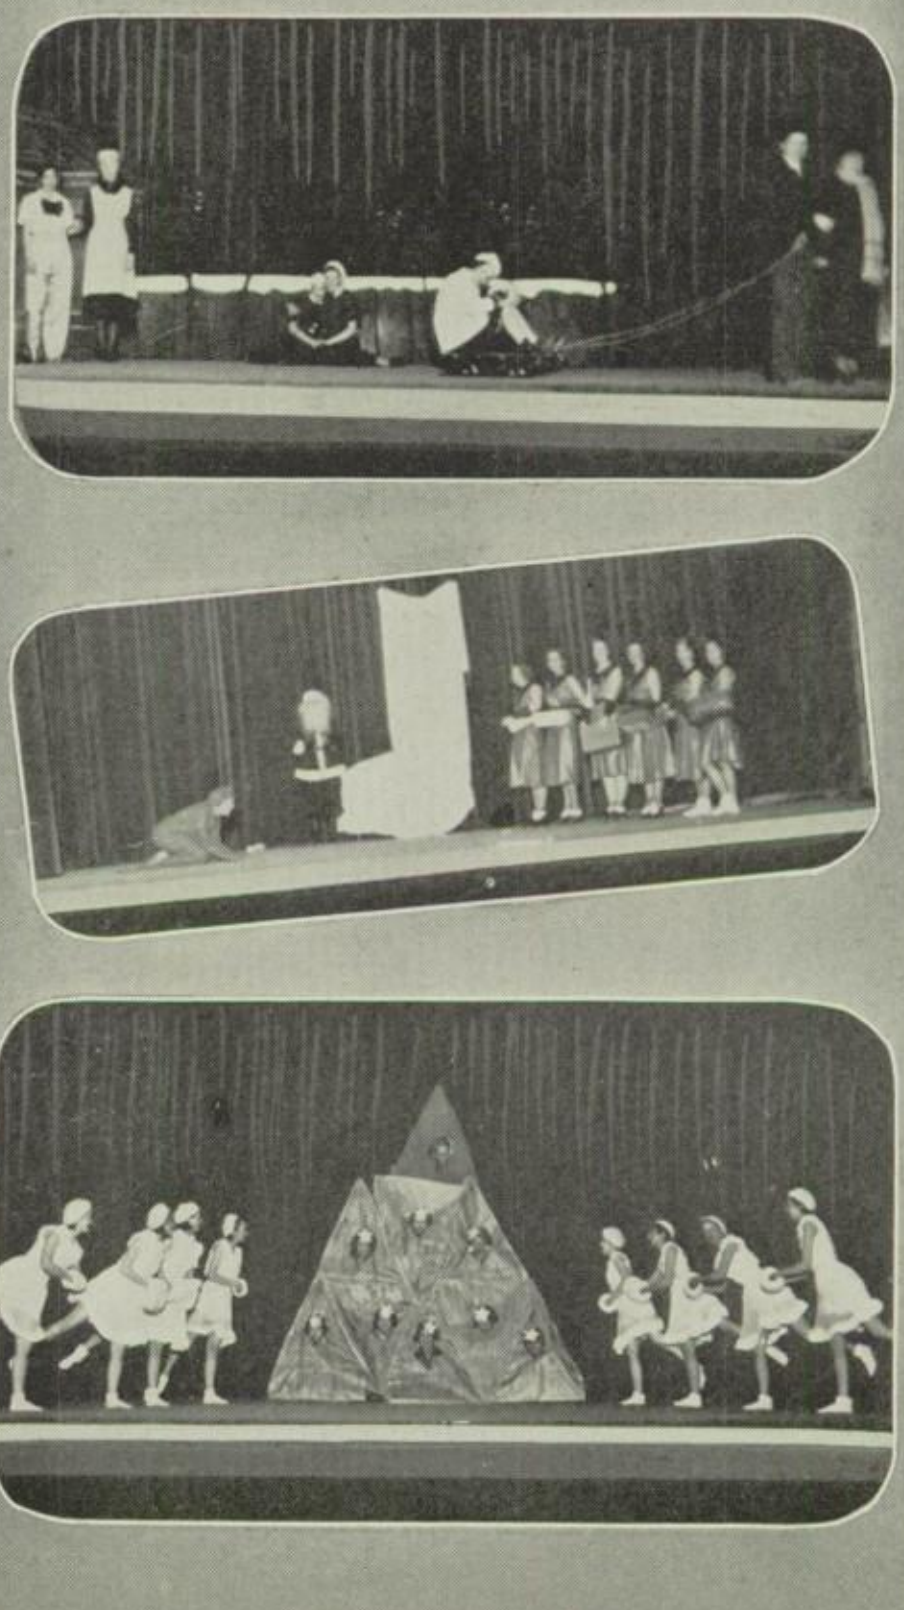
Just a pan of jammed cloggers.

Madame Butterfly with her wing supporters.

Home for Chri:tmas with Sophomore alley cats.

Saint Nick? No, Bro. Moss joins the G. A. G. Council stunt and Kay Earl makes a choice mouse.

Skaters, stars, Christmas tree . . . a little atmosphere for Santa Claus.



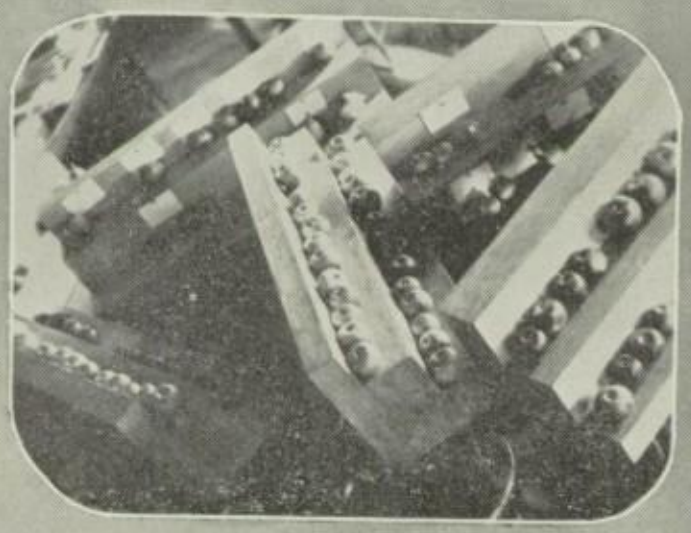
Is your vocabulary malmitritious? Bud and Lois as experienced dictionary explorers can tell you how to give it bulk.

The way to a man's heart is through his stomach. If you doubt it ask these Home Ec. girls who entertained the football boys at the banquet.

Our old pal, the buffalo, can tell you many secrets about our temperamental artists whose masterpieces he is guarding.

St. Nick's artists transformed Granite's front window into a beautiful songster.

Shimmering, glittering, and thrilling, our Art Guild knows how to spread Christmas cheer.



School pests, campus menace, the scourge of '34, coupon salesmen or—yes, the Yearbook staff.

Tongue twisters and mother's curtains . . . the Spanish assembly.

The tennis court was suddenly transformed into a Spanish Fiesta of flat hats and firey scarfs.

Ah, apple sauce! That's no fruit market. Looks more like the Ag. boys have been polishing apples.

Effects of spring weather.

Stuffy, the peanut consumer.

Like all reporters, Kate spilled the beans when the "King Rode By," but have you heard her sing?

With her kimono wrapped around her she flew down the stairs and screamed in terror, "My pearls have been stolen."

INVINCIBLE BAIRD GETS COLD

Strong Man Comes Down with First Cold

Reporter 4—Samuel S. Baird formerly of the Alaskan "Polecat" Bairds, gets first cold of the year. The morning of the fifth our hero went without his wheaties. Authorities believe that this catastrophe was the cause of the temporary downfall of this perfect specimen of health.

HARRIS DENIES RIFT WITH WHITE

"It's a Frameup," Declares Harris

Reporter 9—Richard "Com. law" Harris today vigorously denied a rumored love affair with the notorious Edith "Highball" White. As reporters and camera men flocked questioningly around the "rum-runner of the north," he pulling his hair and quoted Shakespeare:

"He who dies of a broken heart must be buried."

RAY HEMINGWAY GAINS ONE INCH ON HIS ABDOMEN

(Absolutely Dreadful)

GRANITE HAS A DANCE

Usual Event Honors Studs

Reporter 2 — The commonwealth received a great shock the 23rd of March when the school held a dance called the Junior Prom. This so upset the students that many fainted and were carried from the building. A protest that such unusual shocks be let out slowly, was made by the committee on "shock absorbers."

DREADFUL AND FEARED HAPPENINGS

Lillieth Van Dam is rumored a coming cashier at Woolworth's (don't let her gyp youse).

Karl Schleckman is just crazy to learn to dance.

Lee Henroid turns burglar. This noted criminal broke into the school's icebox and stole a piece of lemon pie.

Karl Hendrickson comes to school without a tie.

HENDRY PUMPS OL' MAN

Bill Hendry Works for Family Car

Reporter 2—Bill Hendry, the small "whirl wind" ash-can-dumper of Granite, got a date for the Prom. His lovely partner was to be Alma ————. Bill, it is said,went home full of determination to get the "ol' man's tub," in which he could escort his fair partner to the dance. As he half expected, his fawthah gave him an argument. It happened that poor Alma had to stay home. What did she care? Didn't she get a slick, new dress? "Humph! men are all the same," says Alma disgustedly.

BASHFUL OLSEN THE HEART-BREAKER STEPS OUT

Society Matrons Shocked

Reporter 2—A quieted hum of whispered comments shook the school as the big, bad, Mr. Olsen shrinkingly ushered a woman teacher of the district to the first tournament game. The shocked students sat amazed, unable to concentrate on the game.

EARTHQUAKE SHAKES WEAK

Weakest Sicken Under Slight Tremor

Reporter 4 — The weak of Granite showed themselves this last March when a slight tremor shook Granite. Students felt weak at the knees and Mr. Summerhays almost collapsed. (It wasn't told to me; I only heard.)

CRITICS GET KICK OUT OF PROM

Many Fathers Stay Home

Reporter 5 — Many farmer fathers stayed at home March 23 (not because they wanted to, but because they had to). Their lanky farmer sons completely purloined their best suits away to go to the Prom. Many tucks were taken here and there on cuffs and trouser legs for that conspicuous of nights. And for that matter many wedding dresses of the grandmas' were made over a little to fit the fair farmer damsels. Authorities say there was a slight surplus of food in the farmer district the week before the Prom. This was due to the dieting of the fair farmer lassies in order to look their "snakiest" for the gala dance.

Saved

The boat was sinking. The skipper rushed up to a crowd of scared passengers.

"Who among you can pray?" He asked them.

"I can," answered a minister.

"Then pray, mister," ordered the skipper. "The rest of you put on life preservers. We're one short."

Saved Him

A young writer sent in a poem entitled, "Why am I alive." In returning it the editor wrote: "Because you sent the poem by mail instead of delivering it in person."
